ACKNOWLEDGEMENT

I would like to express my deep sense of gratitude to the authors and scientists, whose work provided a valuable source of information and inspiration in understanding the present work.

It is my proud privilege to express my sincere thanks to my supervisor Dr. R. R. Dhande Ex. Professor and Head P. G. Department of Zoology, Amravati University, Amravati, for his constant encouragement, timely guidance, positive criticism and erudite guidance during the course of my research work.

It is with great pleasure that I express my deep sincere gratitude to Dr. G. N. Vankhede, Reader and Head P. G. Department of Zoology, Amravati University, Amravati, for constant inspiration and encouragement and timely help throughout the course of my research work.

Also, I wish to record my sincere thanks to Shri. Sudhir W. Nainwad, Chemical Analyst, FCL and shri V.G. Amle, Agri. Off, FCL, Amravati for extending their help by providing the required laboratory facilities for carrying out trace metals analysis on Atomic Absorption Spectrophotometer.

I express my sincere gratitude to Principal Shri. K. M. Wagh, 'My Dada' and Sau. Shila Vahini, who in my formative years, instilled in me, the value for education, hard work and patience for shaping up my life.
I am equally grateful to my parents for their constant support, encouragement and blessings which helped me in successfully achieving this goal.

While pursuing this work, my research colleagues and friends contributed by just being pleasant and supportive or in some other way to me. I am very much thankful to them.

I must put on record my words of thanks to Dr. Mrs. C. P. Deshmukh, Lecturer, P. G. Department of Zoology for extending her cordial cooperation.

How can I forget to mention my beloved friend Sanjive Patil who is no more now but had always wished my best till he lived.

I wish to extend my sincere thanks to the librarians of Vikram University, Ujjain; Barkhatullah University, Bhopal; Sagar University, Sagar; IIT, Mumbai; NEERI, Nagpur and Amravati University, Amravati for providing the library facilities for reference work.

I am also thankful to the non teaching staff of this department for extending their cordial co-operation.

I sincerely thank to Mr. Jayant Wadatkar and Mr. Milind Barbade, Amravati for neat and tidy data processing and printing of this thesis.
