ACKNOWLEDGEMENT

I express my sincere gratitude to Dr. S. Sanjeevi, Centre for Geoscience and Engineering (CGSE), Anna University, Chennai, for his constant encouragement, guidance and efforts in steering this research work to completion.

I have great pleasure in expressing my sincere thanks to Prof. C. Mohana Doss, Director, Centre for Geoscience and Engineering, Anna University, for his constant encouragement during the research work. I wish to place on record, the help rendered by Dr. L. Elango, Assistant Professor, who supervised my research in the initial stages.

My sincere thanks are due to the Director, National Remote Sensing Agency, Hyderabad, and Shri A. S. Manjunath, Group Head, DA & MRS, NRSA, who permitted me to use the facilities at NRSA and also provided certain data for the research work.

I would like to thank the members of the doctoral committee, Prof. S. Ramachandran, Director, IOM, Anna University and Prof. P. Periakali, Professor and Head, Department of Applied Geology, University of Madras, for their advice and valuable suggestions during my research work. My sincere thanks are also due to Dr. R. Nagendra and Dr. Hema Achyuthan, Senior Lecturers, Centre for Geoscience and Engineering, Anna University, for their encouragement during the research work.

My thanks are due to all Research Scholars, Centre for Geoscience and Engineering, Anna University, Chennai, for their help and cooperation.

The authorities and staff of NIOT and IRS, Chennai, are thanked for their help rendered during this research.

Special thanks are due to my parents, who supported me to carry out the research and have been a constant source of encouragement.

(P. SHANMUGAM)
