ACKNOWLEDGEMENT

The research is the summation of collective efforts. So, the researcher feels glade to express the thanks to all the persons and personalities who have supported the researchers physically and mentally. It’s a privilege to express the feelings of gratefulness and the researcher feels pleased to seize the opportunity. The researcher expresses gratefulness to my guide Dr. R.J. Vyas sir who had become the fountainhead of inspiration, guided with the ideas and words from beginning to end.

The researcher expresses gratefulness towards experts and friends who have helped the researcher at each and every stage of the research.

In any research, the field work is the most important thing. The researcher expresses her feeling of gratefulness towards the respective principals, teachers and students of Sheth R.H. High School and Shree R.C. Patel High School, Meda Adraj, Nutan Vidyalaya, Karnnagar, P.M.G. Thakar Adarsh High School and Sarva Vidyalaya High School, Kadi who had accepted and facilitated the researcher and provided all the facilities for the experiment.

The researcher expresses gratefulness towards parents, family members and friends who had facilitated me and helped me directly or indirectly in achieving the research goal.
