ACKNOWLEDGEMENT

This dissertation would not have been possible without the guidance and the help of several individuals who in one way or another contributed and extended their valuable assistance in the preparation and completion of this study.

Although, it is impossible at this point to list everyone to whom I am indebted, several persons deserve special mention.

First and foremost, I owe my utmost gratitude and indebtedness to my research supervisor Dr. (Mrs.) Hemant Lata Sharma, Professor, Department of Education M.D.University, Rohtak for her continued support, encouragement and guidance. Her great insight, intelligence, experience, observation and thoughtful criticism was there at every part of the research to make my work experience productive and stimulating. The joy and enthusiasm she has for her work was contagious and motivating for me. Without her constant and uninhibited encouragement, this investigation would have been impossible to take shape.

I would also like to express my deepest gratitude to Dr. (Mrs.) Indira Dhull Professor & Head, Department of Education, M.D.University, Rohtak for her valuable suggestions, cooperation and guidance in all possible ways to complete my research work. I am also grateful to all the staff members of Department of Education for their suggestions and healthy criticism from time to time.

With a same sense of gratification, my sincere thanks are due to Dr. Anju Sharma, Assistant Professor, Vaish College of Education, for sharing her comments on my work. I also express my deep sense of gratitude to Dr. Mayur, Assistant Professor, Technical University, Murthal, for his valuable suggestions.

At the same time I would give special thanks to the library staff of the M. D. University and C.R. College of Education for this cooperation and help. I express my deep sense of gratitude to my invaluable network of supportive, generous and loving friends without whom I could not have survived the process.

I cannot afford to forget to express my indebtedness my husband Mr. Sandeep Dalal, Assistant Professor, Department of Computer Science & Application, M.D. University, Rohtak, without whom this effort would have been worth nothing. His love, support and
constant patience have taught me so much about sacrifice, discipline and compromise. I would like to thank my father-in-law Mr. Balbir Singh and my mother-in-law Ms. Santosh. They were always there cheering me up and stood by me through the good times and bad. I am also very thankful to my loving children Aadvik and Aanaya, who spent many days with other family members to allow me to focus. I am deeply sorry for the time we spent apart. My brother-in-laws Mr. Vikas Dalal, Mr. Mehta Hooda, Mr. Ritesh and Mr. Krishan and sister-in-laws Ms. Veena, Ms. Savita and Ms. Kavita and brother Amit deserve remarkable appreciations for their persistent support during the effort. It would be great injustice if I ignore my angle father Mr. Jai Singh Dabas. His best wishes are always with me.

Last but not the least, my family and one above all of us, thanks the Omni present God, for answering my prayers and for giving me the strength, thank you so much Dear Lord.
