ACKNOWLEDGMENT

First of all, I thank Almighty GOD without whose will nothing may happen. It is GOD, Who has made me physically and mentally capable of undertaking this research.

Any accomplished work is an effort of collective deeds of many peoples and this work is not an exception to this. I am greatly indebted to my research guide Dr. Y. S. Khan, M.A., Ph.D., Associate Professor, Sangameshwar College Solapur, for his continued support throughout the tenure of this research. I am indebted to him for his constant support, encouragement, expert guidance, constructive criticism and thought provoking discussions.

I take this opportunity to express my deepest sense of gratitude to Late. Dr. Khaja Mohazzibuddin Khalid, Principal, Milliya Arts and Science College Beed, for his constant encouragement for research, may his soul rest in peace. I would also like to express my gratitude to Dr. Nandkumar Lavande, Principal, Chhatrapati Shivaji College, Kalam for his valuable support and encouragement during the research. I am greatly indebted to Dr. Mohammed Ilyas Fazil, Principal, Milliya Arts and Science College Beed, for his ever inspiring and encouraging attitude, throughout my research. I would also like to thank Mr. Ahmed Bin Aboo, Secretary, Anjumane Ishaat-e-Taleem Beed, for his generosity and extending his support during the work. I would also like to express my thanks to the Dr. Syed H.K., Vice Principal, Milliya College, for his encouragement and support during the research.

I am warmly obliged to Dr. Pathan A. M., Department of Hindi, Milliya College Beed, for his support. Mr. Sonawane V. K., Head, Department of Geography and Mr. Mirza Wajed Baig, Department of Geography for their encouragement and suggestions for the work. A
special thanks to Prof. Abdul Anees, Head, Department of English and Prof. Mohammed Asef Iqbal, Department of Microbiology, Milliya College, Beed for all their valuable suggestions, support and encouragement during this research. My Sincere thanks to Mr. Syed Saleem, O. S. Milliya Sr. College Beed and Mr. Shaikh Abdul Rahim, Accountant, Milliya Sr. College Beed. Mr. Shaikh Mohd. Rizwan, Computer Operator, Milliya Sr. College Beed. I am also thankful to all other staff members, who gave their valuable suggestions.

My sincere thanks to Mr. Shaikh Sameer Ahmed, Milliya Jr. College Beed (Member, HSC Board, Aurangabad) and Shaikh Rizwan Ahmed, Azad College, Khuldabad.

I sincerely thank, Professor N. B. Teli, Head, Department of Geography, Sangameshwar College, Solapur for providing me necessary facilities during preparation of this work. I am thankful. To Dr. Gulve M. N., Principal, Arts College Nandurghat, Dist. Beed, for his constant support. I am also grateful to Mr. Mubin Bashomiyan Shaikh, National Jr. College, Thane, for his extended cooperation.

I specially thank and acknowledge Mr. Vishwas Kamble (Typist) who helped a lot in making the thesis presentable. I would continue to remain forever grateful to all my friends, like Inamdar Raunak Ali, Mokashe Kaka, Shahzada, Shaikh Mazharoddin, Pathan Mubin and all others who were associated with me during my research.

I am greatly indebted to my mother, brothers (Nawab Ali, Lateef Ali, Rahmat Ali, Asad Ali), my sister and brother-in-law specially Mr. (Mrs.) Shaikh Khaja for their constant encouragement and sacrifices, for my achievements. I am also thankful to my Father-in-law Shaikh Iftikhar Ahmed for his support and constant encouragement during this research work.
Very special thanks to my wife Rohina Naaz, for her inspiration, moral support and bearing all the inconvenience caused during the present research work. A special thanks to my son Syed Shadman.

Finally, I must thank Late. Mr. Syed Osman Ali (my father) for his upbringing, inspirations and teachings which he gave to me, may his soul rest in heavens.

Syed Rafat Ali  Osman Ali
