ACKNOWLEDGEMENTS

A best, this was my dream!

There are people in the world, some of them very wonderful, which made this dream become a product. I would like to thank all of them, and in particular:

Dr. Karbhari V. Kale, (Professor & Head) – Mentor, Guru and friend, who taught me the basic of telling a concept and stayed with me right, till the end. If he had not encouraged me all the way, I would have given this up a long time ago. Where I am today, is only due to his cooperation and guidance. I thanks to Dr. Pradnya K. Kale and family members for their support and encouragement.

I would like to thank all the people all over the world, who contributed their valuable software and research ideas to the large pool of public domain. This work is almost based on such tools, which have been designed, implemented and supported by bright minds.

I am grateful to, Dr. R. R. Manza, for their excellent support and steady encouragement rendered over the past several years.

I would like to thanks, Dr. S. C. Mehrotra, Dr. R. R. Deshmukh, Mr. S. N. Deshmukh, for their valuable guidance.
