ACKNOWLEDGEMENT

Words are often too weak to express one’s inner feelings of indebtedness to one’s benefactors. The same difficulty haunts me in penning down the deep sense of gratitude.

First of all, with all humility and sincerity, I bow before the ‘almighty’ who put strength in me to do and accomplish the research work successfully in so many adverse situations.

Next to God, I am highly obliged to express my sincere and profound gratitude to my learned supervisor Dr. A.S. Malik, Former Associate Professor, R.L.S. College of Education, Sidhrawali (Gurgaon) who always guided me in a constructive, sympathetic encouraging and affectionate way. I am extremely thankful for his meticulous efforts, valuable suggestions constant inspiration and keen interest in brightening my ideas throughout this endeavour in this successful completion of this work.

I express my sincere and hearty gratitude to Prof. Indira Dhull, Dean & Head, Faculty of Education, M.D. University, Rohtak for her exemplary guidance, inspiring encouragement, timely advice and critical comments suggesting and help during the period of my research.

My sincere thanks are also extended to the principals and teachers of various schools for their kind help and co-operation in collection of data for this study. My sincere gratitude to those authors whose works and names I have quoted in and consulted for my thesis. I am equally thankful to the library personals of various university and institution for their co-operation.

Words fail to express my hearty thanks to my beloved family members. They gave me full blooded emotional support
during all the years. All my family members have been selfless in giving me the best of every thing and I express my deep gratitude for their love, sacrifice and support without which this work could not have been completed.

My vocabulary fails to express my gratitude to my husband Dr. Yudhister, Associate Professor, R.L.S. College of Education, Sidhrawali (Gurgaon) without his patience co-operation, sacrifice, persistent encouragement and untiring moral support this work could not have been completed. I owe special love to my daughter Deepshikha and son Puru for their naughty activities and lovely talk and who never bothered when I was busy in my research work and kept me in good humour. All may not be mentioned but no one is forgotten. By these words I remember all those persons who helped me for reaching at the end of research work.
