ACKNOWLEDGEMENT

It gives me immense pleasure to express my deep sense of gratitude and indebtedness to my research guide, Respected Dr. T.K. Chondhekar, Professor, Department of Chemistry, Dr. Babasaheb Ambedkar Marathwada University for his inspiring guidance, stimulating discussions and constant encouragement throughout the present investigation, which enabled me to complete this work.

I would like to express my sincere thanks to Dr. M.S. Shingare, Head, Department of Chemistry, Dr. Babasaheb Ambedkar Marathwada University, for providing the necessary laboratory facilities for the present research work.

I also express my sincere thanks to the respected teachers Dr. B.R. Arbad, Dr R. A. Mane, Dr. C. H. Gill, Dr. (Mrs.) A.S. Rajbhoj, Shri S.R. Sonone and Dr. M. K. Lande for their valuable guidance and help during my research work.

I offer my respectful thanks to Dr. D. V. Jahagirdar, Dr. D.G. Dhuley, Dr. N.G. Palskar, Dr. V.G. Dongre and Shri S.W. Rajbhoj for their lifelong encouragement and blessings.

I am thankful to my friends and research colleagues Dr. A.N. Jagdale, Dr. P.S. Mane, Dr. S.D. Salunke, Dr. Shirodkar, Dr. B.Y. Pagare, Dr. (Mrs.) S.M. Ruikar, Shri A.S. Kirdant, Shri B.K. Magar, Mrs. Vaidya, Shri. V. N. Patange, Shri K.N. Vidhate, Shri R. A. Waghmare, Shri Markhile, Miss. S. M. Jadhav and Miss. Patharkar for their friendly co-operation during the research work.

I am also thankful to all non-teaching staff of chemistry department, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad for their kind co-operation and help.
I am grateful to Principal **Dr. B. C. Ghoble**, for his inspiration, moral support and constant encouragement received throughout the work.

I gratefully acknowledge the valuable suggestions and kind co-operation of my colleagues Shri A. R. Muley, head of Dept, Dr. S.D. Rathod, Dr.(Miss) A.B. Dumir, Shri S.R. Annapure, Mohd. Shafique, Dr. J.S. Sardar and Shaikh Umar. I also acknowledge moral support of all teaching and non teaching staff of Milind College of science, during the progress of my research work.

I like to express my special thanks to 1. Department of Biotechnology, Milind College of Science, for providing facility to study the microbiological activity. 2. Dept. of Chemistry, Pune University, Pune for providing $^1$H NMR, IR spectra and elemental analysis facility. 3. CFC, Shivaji University, Kolhapur for providing TGA facility. 4. Dept. of Physics, Pune University for providing XRD spectra.

A word of thanks is inadequate to express my feelings to my friends Dr. S.B. Bhavsar, Sayyed Sultan, F.R. Chavan, Vasant Gulbhile, N.G. Gaikwad, G.M. Kendre, V.M. Aghav and my brother D.R. Munde.

I am very much thankful to my wife Mrs. Shivnanda for her persistence support during the progress of the research work. I am also thankful to my son Ravi and sweet daughter Sheetal for keeping fortitude and securing good marks in their respective exams during the time of my research work.

Last but not least, I am grateful to Mrs. Ramni Chandrababu, for her help in typing and setting, the thesis in the present form.

*A.S. Munde*

(Research Fellow)
