Acknowledgement

Words are often too weak to express one's inner feeling of indebtedness to one's benefactors. The same difficulty haunts me in penning down my deep sense of gratitude.

First of all, with all humility and sincerity, I bow before the 'Almighty' who enabled me to do and to complete this research work successfully in spite of sundry adverse situations.

Next to God, I am highly obliged to my guide Dr. Sarbjit Kaur Ranu, Associate Professor, G.H.G. Khalsa College of Education, Gurusar Sadhar for her inspiring guidance, encouraging attitude, constructive criticism, enthusiastic interest, invaluable suggestions throughout the course of this investigation. I consider myself very fortunate to pursue this arduous research work under her able guidance. I cannot fail to record my gratitude to the Late Dr. Shashi Kala, my former guide who initiated me in the realms of research.

My whole-hearted gratitude to Principal Dr. Surinderpal Kaur Dhillon and all the staff members of Khalsa College of Education, Ranjit Avenue, Amritsar for their ready support and encouragement, without which it would have been difficult to complete this project.

I am also sincerely thankful to the Principals and Teachers of different schools for their help and co-operation in collection of the data for this study. My sincere gratitude also goes to those authors also whose works I have consulted and quoted in this study. I am equally thankful to the personnel of the libraries to which I went for studying the literature relevant to my work.

I specially express my feelings and sense of gratitude to my parents and in-laws, my mother-in-law Mrs. Jagdish Kaur in particular who taught me to dream and to achieve, gave me roots of responsibility and wings of independence. My whole hearted thanks are also due to my colleagues Mrs. Gurmanjit Kaur Bhullar and Mrs. Gagandeep Kaur Dhillon.
Words fail to express full appreciation gratitude to my husband, Mr. Jatinder Singh for his constant care, keen interest, persistent encouragement and untiring support throughout the period of this research. My little angels Neeruday Singh and Mehraj Singh are also ‘partners’ in this research in their own unspeakable ways.

All may not be mentioned but no one is forgotten. By these words I remember all the persons who helped me for reaching at the end of this research work.

Inspite of the best efforts, ventures of this kind are not likely to be free from human errors, some inaccuracies, ambiguities and typographic mistakes. I am responsible for any remaining error.
