LIST OF FIGURES

FIGURE 1: Evolution of construct of resiliency (Tusaie & Dyer, 2004)

FIGURE 1: Graphical representation of Means of Deficiency Focusing showing interaction of Learned Optimism & Emotional Quotient

FIGURE 2: Graphical representation of Means of Deficiency Focusing showing interaction of Learned Optimism & Hardiness

FIGURE 3: Graphical representation of Means of Deficiency Focusing showing interaction of Emotional Quotient & Hardiness

FIGURE 4: Graphical Representation of Means Scores of Deficiency Focusing showing interaction of Learned Optimism, Emotional Quotient and Hardiness

FIGURE 5: Graphical representation of Means of Necessitating showing interaction of Learned Optimism & Emotional Quotient

FIGURE 6: Graphical representation of Means of Necessitating showing interaction of Learned Optimism & Hardiness

FIGURE 7: Graphical representation of Means of Necessitating showing interaction of Emotional Quotient & Hardiness

FIGURE 8: Graphical Representation of Means Scores of Necessitating showing interaction of Learned Optimism, Emotional Quotient and Hardiness

FIGURE 9: Graphical representation of Means of Skill Recognition showing interaction of Learned Optimism & Emotional Quotient

FIGURE 10: Graphical representation of Means of Skill Recognition showing interaction of Learned Optimism & Hardiness
FIGURE 11: Graphical representation of Means of Skill Recognition showing interaction of Emotional Quotient & Hardiness

FIGURE 12: Graphical Representation of Means Scores of Skill Recognition showing interaction of Learned Optimism, Emotional Quotient and Hardiness
