ACKNOWLEDGEMENTS

I feel myself fortunate enough to get an opportunity to express my deep sense of gratitude to my guide Dr. Madhurima Mahajan, Reader, Department of Correspondence Studies, Panjab University, for her invaluable advises, leadership and extremely focused supervision throughout the study. She gave me confidence to recognize that it was possible to take such a challenging study. Without her regular support, guidance and patience, this work would have not been possible. She had been extremely motivational and never let me succumb to pressure of my family responsibilities. I feel blessed as her wisdom and support enabled me to negotiate hurdles, which came across my study. I hope I will get more opportunities in future as well to pay gratitude to such an inspirational educator.

I am deeply grateful to Dr. Sherry Sabbarwal, Chairperson, Department of Sociology, for allowing me to conduct this study and her invaluable suggestions.

I am really indebted to Dr. (Mrs.) Rajesh Gill, Professor, Department of Sociology, for her inspirational support and excellent suggestions to improve the quality of my research.

For the development and completion of my research I also feel a deep sense of gratitude:

- to Mr. Arvind Thakur (Lawyer, Punjab and Haryana High Court) who helped me in getting case studies of sexually harassed women.

- to Mrs. Kalra, Librarian, Department of Sociology and Mr. Satish Kumar, Scientist, CSIO, Chandigarh, who always helped me to get latest references, journals, books and other study material.

- to Mr. Rajat Kumar (Journalist, Indian Express) for his ever available cooperation and introducing me to women who faced sexual harassment.
- to all my respondents and head of the workplaces who allowed me to carry out my research.

- to thank Mr. Surinder Duggal, who helped my work typed in time and extended his support through his staff member Ms. Sunita.

- to my friend Simmi, for helping and encouraging me throughout the course of my study.

- to my parents; father Mr. Krishan Garg, mother Mrs. Kusum Garg, brothers and sister-in-laws for encouragement and constant demonstration of love.

- to my in-laws, especially my mother-in-law Mrs. Savitri and my brother-in-law Mr. Kuldeep, who constantly encouraged and helped me out of the way to complete my study. Their level of support is truly uncommon.

- to my beloved husband Sanjiv Chaudhary for convincing me to choose this lengthy path of career making, constant motivation, synergistic support and for his integrity and sense of equality of women to men.

- to my little angel 'Ipsita' for her unprecedented support throughout the study, as she at such a tender age managed herself unattended most of the time and sometimes stayed away for months with her grandmother.
