Acknowledgements

With an overwhelming sense of pride and genuine obligation, I take this rare opportunity and proud privilege to extend my heartfelt and deep sense of gratitude towards Dr. Abraham Verghese, Principal Scientist, Division of Entomology and Nematology, Indian Institute of Horticultural Research, Hessaraghatta, Bangalore for his valuable and expert guidance, timely suggestions, close counsel, critical evaluation, everlasting patience and constant encouragement for the present investigation and finalization of this manuscript and for taking beautiful photographs. It was indeed a great opportunity of mine to work under his guidance. I feel no words can articulate the sense of gratitude I have within me.

I place on record my profound sense of gratitude and indebtedness to Dr. V. Vasudev, Professor, Department of Applied Zoology, Kuvempu University, Ganna Sahyadri, Shankaraghatta, Shimoga, for having served as co-guide, for his valuable comments and constructive criticism which were much helpful in completion of this thesis. My heartfelt thanks are also due to him for the timely help and constant guidance throughout the study.

I take this opportunity to acknowledge the Director, Dr. S.D. Shikhamany, IIHR, Bangalore for allowing me to carry out the research work in this institute and also for the administrative support. I also thank the staff of Kuvempu University, Shimoga for administrative support.

I am extremely grateful to Dr. N. K. Krishnakumar, Head, Division of Entomology and Nematology, IIHR for providing necessary facilities during the course of my study and for critically going through the thesis.

I also convey my respectful gratitude to Dr. V. V. Ramamurthy, Head, Department of Entomology, Indian Agriculture Research Institute, for confirming the identity of stone weevil, Dr. Mustak Ali, Professor, Department of Entomology, University of Agricultural Sciences, Bangalore for identifying ant species, Dr. C. Gopalakrishnan, Insect Pathologist, Indian Institute of Horticultural Research, Bangalore for identifying the Beauveria bassiana (Balsamo) Vuillemin.
and Dr. John Stonehouse, Imperial College, London for providing sticky gum (Oeco Tak®) for the experimental purpose.

I am thankful to Dr. Jayanthi and Dr. Ranganath, Indian Institute of Horticultural Research, Hessaraghatta, Bangalore, for their moral support, cooperation and kind help rendering during my research endeavour. I also thank Dr. Jhansi Rani, Indian Institute of Horticultural Research, Hessaraghatta, Bangalore, for constructive criticism on the thesis.

I am extremely grateful to Dr. T. N. Shivamurthy, Senior Scientist, Division of Medicinal and Aromatic Crops, Indian Institute of Horticultural Research, Hessaraghatta, Bangalore, and the Staff of Photography Section, Indian Institute of Horticultural Research, Hessaraghatta, Bangalore, for taking photographs.

I am grateful to Mr. B.B. Bopaiah and S. Hanumantharayappa and other staff of the fruit entomology laboratory for maintaining the field and their generous help in needy hours. It gives me immense pleasure in thanking my colleagues, Dr. K. Sreedevi, Mrs. K. Sudha Devi, Mr. H. R. Anil Kumar and Mr. H. S. Madhura for nice company and helping me in taking observations and carrying out experiments. I fail to find words to express my sincere thanks to my friends Mr. Gurushankar (Shimoga), Dr. Dhananjay Naik, Dr. Shylaja, Mr. Kalleshwara swamy, Mr. Anil (Kuila), Mr. Rudresh and Mr. Keshavreddy for their nice company, co-operation and kind help throughout this research endeavour.

I would like to express my reverence and gratitude to my parents, brother, parents-in-law and family members for their constant moral support, inspiration, boundless love and expectation which always kept me right on the path of progress divine blessing that kept me going when my spirits were down.

My wife deserves a big chunk of thanks for her help right from registering for Ph. D. to preparation of this thesis.

The financial assistance provided to me by the Indian Council of Agricultural Research, New Delhi in form of Senior Research Fellowship is gratefully acknowledged.
I express my gratitude to all the staff and students of Department of Applied Zoology, Kuvempu University, Shimoga for their kind co-operation and help.

Above all I thank the almighty for giving me the strength and health needed in fulfilling my cherished goal.

(D. K. NAGARAJU)
