ACKNOWLEDGEMENTS

It gives me tremendous pleasure to place on record my deep sense of gratitude and indebtedness to my honourable supervisor, Dr. Ms. Vinit Bala Khera, A Reader in the Deptt. of Education, Punjab University, Chandigarh, under whose inspiring, valuable and illuminating guidance, I had the privilege to complete this research work. Her vast knowledge and painstaking efforts, coupled with research competence, have contributed immensely in improving the quality of the thesis.

I am also thankful to the chairman, Deptt of Education and the members of the faculty of Education for their able help and cooperation.

Thanks are also due to Dr. M. Kanakachary (Asstt. Librarian) and the staff of the library of CIEFL for providing the all possible facilities and help for completing this work.

Thanks are also due to the Principal of Govt. Girls High School, Model Town, Karnal, without whose cooperation, the data-collection, the conduction of the Experiment would not have been possible.

I would like to thank, all the authors whose work I have consulted so frequently and quoted in my research work.

I am extremely grateful to my parents who again and again sacrificed not only time together that this work might be completed, but were a constant source of inspiration and guided and helped in innumerable little and big ways.

My deepest gratitude and heartful thanks go to my husband who has been a source of constant inspiration and encouragement to me. I might not have been able to present this piece of research but for this sincere cooperation and benign assistance.
I highly value the words of encouragement and inspiration from my in-laws, which motivated me at every step to put in sustained efforts towards speedy completion of the research work.

I would like to thank Dr. Jagpal Singh who has helped me in the completion of the research work.

I owe a lot to many others who have directly and indirectly helped but who must always remain unnamed. I extend my sincere thanks to all of them.
