List of Figures

Fig. 2.1 The Elements of a Cycle for the Process of Reflective Teaching ..... 41
Fig. 2.2 Conducting a Language Learning or Teaching Diary Study .......... 58
Fig. 2.3 The Reflection Cycle ............................................................. 82
Fig. 2.4 The Reflection Cycle ............................................................. 89
Fig. 4.1 Distribution of Data: The Sample of Indian Students .............. 139
Fig. 4.2 Distribution of Data: The Sample of Iranian Students ............ 140
Fig. 4.3 Distribution of Data: The Samples of Indian and Iranian Students ......................................................... 142
Fig. 4.4 Means Plot: Differences among Mean Scores Obtained from Administering the Four Reflective Teaching Tools .................. 148
Fig. 4.5 Means Plot: Differences among Mean Scores Obtained from Administering the Four Reflective Teaching Tools (Sub-scale A) ................................................................. 154
Fig. 4.6 Means Plot: Differences among Mean Scores Obtained from Administering the Four Reflective Teaching Tools (Sub-scale B) ........................................................................ 159
Fig. 4.7 Correlation between Students’ Feedback and the Mean of All Tools ................................................................................. 163
Fig. 4.8 Correlation between Teacher Diary and the Mean of All Tools ..... 163
Fig. 4.9 Correlation between Peer Observation and the Mean of All Tools ....................................................................................... 164
Fig. 4.10 Correlation between Audio Recording and the Mean of All Tools ....................................................................................... 164
Fig. 4.11 Descriptive Data of Item One Illustrated with Pie Chart ............ 165
Fig. 4.12 Descriptive Data of Item Two Illustrated with Pie Chart .......... 166
Fig. 4.13 Descriptive Data of Item Three Illustrated with Pie Chart ........ 167
Fig. 4.14 Descriptive Data of Item Four Illustrated with Pie Chart .......... 168
Fig. 4.15 Descriptive Data of Item Five Illustrated with Pie Chart .......... 169
Fig. 4.16 A Hierarchy of Reflective Tools Arranged Based on Data Obtained from Sub-scale (A) ................................................................. 178
Fig. 4.17 A Hierarchy of Reflective Tools Arranged Based on Data Obtained from Sub-scale (B) ................................................................. 179
Fig. 4.18 A Hierarchy of Reflective Tools Arranged Based on Data Obtained from Administration of each Tool and Its Closeness to Mean of All Data as Well as Authenticity of Obtained Data ..... 182
