ACKNOWLEDGMENTS

I would like to place on record my sincere acknowledgment of invaluable guidance offered by Dr. R.K. Sharma, Professor of Public Administration, Fellow Panjab University, Chandigarh a long way in improving the quality of my research work. I am extremely beholden to him for accepting to supervise this work. I have no words to express my heart-felt gratitude which I owe to him.

Research accomplishment can never be credited to an individual so is true in the case of present work which would have never been in the present shape without the highly valuable suggestive tips from Dr. Charanjeev Singh, Reader, Department of Public Administration, Panjab University, Chandigarh. Indeed Dr. Singh is a scholar with high degree of clarity about finer points of research and this attribute of his helped me to sail through with ease the difficulties which came across during my research indulgences. I shall always remain indebted to him for all what he has done in this achievement of mine.

I must express my gratitude to Professor B.S. Ghuman, Dean Faculty of Arts and Chairman, Department of Public Administration, Panjab University for kind suggestions. I am also thankful to Dr. Sudhir Sharma and the entire faculty and the staff of the Department of Public administration, Panjab University, Chandigarh for their help and assistance in the completion of this work.
