Acknowledgements

Foremost I express my sincere gratitude to my supervisor Prof. C. Nagaraja Kumar for his motivation, enthusiasm, patience, and continuous support during the course of my research work. His expert guidance helped me in all the time of research and writing of this thesis.

I am grateful to our collaborators Prof. Prasanta K. Panigrahi and Dr. T. Solomon Raju, for their advice and suggestions at various times.

My sincere thanks goes to our Chairperson of the Department for the research facilities provided in the Department. I am indebted to Prof. Vishwamitr for his cooperation. I thank all the staff members of Department of Physics, Panjab University for all type of help during this work. I am thankful to CSIR, India for providing me the generous funding during the course of my research work.

I would like to acknowledge my fellow labmates Ms. Alka, Mr. Jasvinderpal Singh Virdi, Mr. Amit Goyal, Mr. Vivek Sharma, Ms. Shally Loomba, Ms. Harleen Kaur, and Mr. Kanchan Kumar De for their contribution in the accomplishment of various research projects. I sincerely thank Mr. Amit Goyal for stimulating discussions and valuable suggestions that helped me a lot to tackle the problems, arisen during the course of research work. I am thankful to my seniors Ms. Ishu Goyal, Dr. Supriya Goyal, Dr. Kriti Sharma, and Dr. Varinderjit Singh and juniors Ila and Charanjit for their timely help and support, whenever I needed. My heartfelt thanks to Dr. Vivek M. Vyas and Dr. S. Sree Ranjani for their immense guidance and encouragement.

My greatest appreciation goes to my best ever friends Maninder, Gurvir, Divya, and Ruchi for their wonderful company at the hostel. The time spent with them will always cherish my memories. I feel lucky to have friends like Jashan, Simran, Ripan, Nitish, Nitin, Monika, Sudesh, Mamta, and Rena, whom I could always count on.

I am indebted to my father Sh. Amar Chand Gupta and mother Mrs. Mithlesh Gupta for their love, care and guidance. I would not have made it this far without their support. A special thanks to my loving sisters Anu, Pankaj, Ritu, and Kshama; brother Akhil; and brothers-in-law Pankaj, Ravinder, Rakesh, and Suhail for always inspiring me to have faith in myself and motivating me to accept challenges. I extend my love towards my nephews Keshav, Parth, Kanav, and Samar and niece Deepanshi and Ritishta for their innocent talks. Watching their childhood activities remained the most pleasant and stress relieving experience for me. I owe a
debt of gratitude to my Mausi ji Mrs. Sunita Aggarwal and brother Ritesh Aggarwal for their immense help and care during the toughest period of my Ph.D. Above all I am humbly grateful to Almighty for granting me the strength to undertake this research work and enabling me to its completions. Last but not least I thank all who were directly or indirectly involved in the accomplishment of this project.
