ACKNOWLEDGEMENT

I express my deep sense of gratitude to Dr. K. Manjunatha, Assistant Professor, Department of Civil Engineering, UBDT College of Engineering, Davanagere, for his constant guidance, encouragement and moral support given to me throughout the dissertation work.

I am very much grateful to my Co-guide Dr. K. Prakash, Professor, Department of Civil Engineering, S.J. College of Engineering, Mysore, for his moral support, continuous encouragement and affection bestowed on me during the dissertation work. I sincerely acknowledge all his efforts which not only inculcated the research attitude in me and also a source of inspiration for my endeavors.

I wish to record my heartfelt gratitude and thanks to Prof. A. Sridharan, Former Deputy Director, Indian Institute of Science, Bangalore, for his expert guidance, valuable suggestions, timely discussions and constant pursuance which made me to complete my dissertation work successfully. He was a source of inspiration for the present work.

I am grateful to the management of NIE, Dr. B.V. Somashekar, Director, CRC, for the facilities provided to me during the period of the research work. I express my sincere thanks to Dr. M.S. Shivakumar, Principal, NIE, Mysore, for the co-operation and encouragement given to me during the period of the research work. I express my sincere thanks to Dr. Raghavendra Rao, Principal, NIE Institute of Technology, Mysore, for the co-operation and encouragement given to me during the period of the research work.

I express my deep sense of gratitude and thanks to Dr. Suresh Chandra Mohan, Principal, Prof. N.T. Manjunath, Chairman, Department of Studies in Civil Engineering, Prof. K. Revana Siddappa, Past Chairman, Department of Studies in Civil Engineering, Prof. D.S. Prakash, Mr. Krishnegowda and all faculty members of UBDT College of Engineering for their constant support and encouragement.
I express my sincere thanks to Librarian and Library Staff of Indian Institute of Science, Bangalore for their timely help.

I express my sincere thanks to Dr. G. Ravi, Dean, NIE, Dr. G.S. Suresh, Professor & Head, Department of Civil Engineering, NIE, Dr. G. Sarangapani, Dr. N. Suresh, Mr. K.V. Shivaram, and Mr. Y.M. Manjunath for their timely help and constant encouragement during my research work. I also extend my sincere thanks to all my department colleagues who had supported me to carry out the research work successfully. My special thanks to Dr. Syed Shakeeb Ur Rahman, Vice Principal, Professor & Head, Department of Civil Engineering, Dr. S.K. Prasad, Dr. S. Raviraj, Dr. G.P. Chandradhara, Prof. V. Madhava Rao, Dr. P. Nanjundaswamy, S.J. College of Engineering, Mysore, for their timely help and constant encouragement during the period of the research work.

I express my sincere thanks to all my undergraduate students who helped me directly or indirectly during the course of research work.

I wish to record my gratitude to my parents, family members and friends for their moral support and encouragement. I greatly acknowledge the help, encouragement, moral support and sacrifice made by my wife and children during the period of my research work.

The assistance of Mr. Naveen Kumar H.V., Mr. Nagesh and Smt. Gayathri during the preparation of the thesis is gratefully acknowledged.

Finally, I wish to acknowledge the efforts made by Vishweshwariah, Guruprasad, Eshwara & Laboratory Staff for their technical help and Estate Office Staff for their timely help extended to me.

H.S. Prasanna
