ACKNOWLEDGEMENT

The author expresses his heartfelt gratitude to Dr. K. Manjunatha, Assistant Professor, Department of Studies in Civil Engineering, University B.D.T. College of Engineering, Davangere and Dr. N. T. Manjunath, Professor and Chairman, Department of Studies in Civil Engineering, University B.D.T. College of Engineering, Davangere for their invaluable guidance and continuous encouragement throughout the period of carrying out his thesis work. They were the guiding force behind all works. Their helpful and innovative involvement at various stages of the work is highly acknowledged.

The author is thankful to Dr. Suresh Chandra Mohan, Principal, University B.D.T. College of Engineering and Dr. N. T. Manjunath, Professor and Chairman and Dr. K Ravanasiddappa, Professor and immediate Past Chairman, Department of Studies in Civil Engineering, University B.D.T. College of Engineering, Davangere for extending the required facilities during the research period.

Author sincerely submits thanks to Karnataka State Pollution Control Board, IISc Bangalore and various department officers whose encouragement helped him to complete this work in time.

The author is grateful to parents late Smt. B. Rukminiamma and B Thimmappa Sorature, for their blessings.

Special thanks are due to the members of the faculty and staff of the Department of Civil Engineering, U.B.D.T. Engineering College, Davangere for their timely help and encouragement.
Special thanks to my sister B. Rakthakashamma Teacher D.V.S. Shimoga for her support and continuous encouragement throughout the research work.

Special thanks are due to the members of our Brothers D.P. Srinivas, B. Venkatesh, B.T. Hanumanthaiah and Father-in-law late Gopal H for their support and continuous encouragement throughout my research work.

Author is highly thankful to D.S. Thimmaiah, who motivated and typed the thesis report and helped by continuous encouragement.

Finally I reserve my affectionate appreciation to my wife Smt. G. Jyothi kumari and daughters Rachana P.N and Vyshnavi P.N for the hardships they have shared during the course of this work. They have been a source of inspiration to me throughout the Ph. D. work.

D. P. Nagarajappa
