ACKNOWLEDGEMENTS

First and foremost, I would like to express my biggest thanks to God who remained my biggest strength throughout this journey. I bow my head in front of him for blessing me with such an opportunity and for making me strong enough to easily go through ups and downs. Without Your Divine providence, I would have not done this wonderful thing.

I would like to express my sincere and deepest gratitude to my Supervisor Dr. Y.K. Rawal (Assistant Professor), Department of Zoology, P.U., Chandigarh for his continuous support throughout my Ph.D. study and research, for his patience, motivation, enthusiasm, and immense knowledge. His guidance helped me through all the time of research and writing of this thesis. I could not have imagined having a better advisor and mentor for my Ph.D. study. Sir has always made himself available to clarify my doubts despite his busy schedule and I consider it as a great opportunity to do my doctoral programme under his guidance and to learn from his research expertise. Thank you Sir, for all your help and support.

I owe my sincere thanks to Prof. M.S. Johal for giving constant and valuable suggestions. I also thank Prof. R. Jindal for all his help extended. I wish to express my warm thanks to Prof. Vijay Lakshmi Sharma, Chairperson, Department of Zoology, Panjab University, Chandigarh for her co-operation. It would be a pleasure to thank Prof. T.S. Gill, Prof. M. Jain and Prof Neelima R. Kumar ex-chairpersons for their supportive attitude.

I am so lucky to have so many flower like friends in my garden of friendship. Pandit and Jyoti remained all time valuable friends who always stood by me through thick and thin. Api became the gem of my
life during this period, as she always supported me in through all the odds. Moreover, my field study was made less obstacle ridden, because of presence of her and Veeru, who made these trips such an easy task and so memorable for me. Tim and Shru are the stress busters of my life since the day Jab We Met; they made me laugh and feel lively very often. I also thank Pandari, Kalpu, Sakshi, Rohini and Bali for always supporting me. Thank you so much buddies for making this journey smooth for me.

I would like to thank my seniors Mr. Sanjay Jha, Mrs. Sarbjeet Kaur, Mr. Rakesh Thakur, Mr. Chetan Sharma, Ms. Monita Dhiman and labmates Ms. Mandeep Kaur, S. Amardeep Singh and Ms. Shista Sharma.

I am thankful to Mr. Bir Singh, Mr. Bhagirath Chaudhary, Mr. Satinder and all other members of non-teaching staff for their help and cooperation.

I extended my warm thanks to UGC for financial assistance for carrying out this research work. I offer my sincere thanks to S. Gurbaaz Singh, Chief Wildlife Warden, Punjab for giving me the permission for fishing in the wetland. I offer my warm thanks to Fishery Office, Ropar for providing me with the fishery data of the previous years of the wetland. Special note of thanks to S. Navtej Singh for his excellent skills in photography.

It would be so unfair if I miss the names of S. Gurmeet Singh and S. Amrik Singh, boatsmen at the wetland who effortlessly helped me in collecting water and fish samples. They always render so much help to me.
I owe a lot to my parents, who encouraged and helped me at every stage of my academic life, and longed to see this achievement come true. They always provided me carefree environment, so that I can concentrate on my study. Although they hardly understand what thesis and research is, but they always supported the decisions I made. I am so lucky to have them as my parents. Love you mma and papa.

Biggest thanks to my di neetu, who remained the major source of inspiration to me ever since I started studying, I think. Special thanks to my sibling mini and jiju who always believed in me and my ideas, thank you so much.

I am highly indebted to my kido bro Dev Rattan Singh, who usually kept on asking, didi when you will finally come back. My lovely niece angel kept on showering unconditional love on me. Thanks to nonu, gugu and rubble for their generosity and love. Love you all a lot.

Warm note of thanks to Baiji, Biji and my both chachu’s and chachi’s who always showered so much love and blessings on me.

I am equally thankful to my father-in-law and mother-in-law who kept on praying for the completion and submission of this manuscript. Special thanks to my cheerful Deor Saab, Goldy.

Finally, it would be such a big miss, if I fail to mention the name of love of my life, Preet, thank you so very much for always understanding and supporting me.
