

## ACKNOWLEDGMENTS

It gives me an immense pleasure and great opportunity to express my profound sense of gratitude and indebtedness to my most reverend teacher, **Dr. Y. Venkateswarlu**, Deputy Director, Natural Products Laboratory, Organic-I Division, Indian Institute of Chemical Technology, Hyderabad, for his guidance, precious suggestions and constant encouragement throughout the execution of research work embodied in this thesis.

I take this opportunity to thank the director **Dr. J.S. Yadav**, ICT for providing sophisticated laboratory facilities and the Council of Scientific and Industrial Research (CSIR), UGC Government of India for financial support. I express my sincere thanks to Mrs. C.B. Lakshmi, Head, RMA.

I pay rich tribute to **Prof. B. Syama sunder**, Principal, the Faculty of Science and **Prof. B. Kesava Rao**, Head, Department of Chemistry, and other faculty of Acharya Nagarjuna University, Nagarjuna Nagar, Guntur, for kind help and giving me opportunity of my Ph. D programme in the University.

I am really grateful to **Dr. S. Chandrasekhar**, Deputy Director & Head, Organic Chemistry Division-I, Indian Institute of Chemical Technology, Hyderabad, for his kind help and encouragement in carrying out the research work. I record my gratitude to **Dr.J.Madhusudhan Rao (Retired, HOD, Organic Chemistry Divison-I, NPL)**, **Dr. Biswanath Das**, **Dr. M.S.R. Murty** and **Dr. B. Chinna Raju**, **Dr. P. Mangala Gowri** for their valuable guidance, advice, cooperation and constant encouragement during the research period.

I am thankful to **Dr. A. C. Kunwar**, **Dr. T. Prabhakar Rao**, **Dr. Sharama**, **Dr. Jagadesh** for their kind help in providing the NMR spectras.

I express my heartfelt thanks to **Dr. V. Ramakrishna Reddy** and also to **Dr. K. Ravinder**, **Dr. A. Vijender Reddy**, **Dr. S. Malla Reddy**, **Dr. M. Srinivasulu**, **Dr. N. Surya Kiran**, **Dr. K. Chinni Mahesh**, **Dr. T. Srikanth Reddy**, **Dr. M. Narasimhulu**, **Dr. J. Jon Paul Selvam**, **Dr. K. Rajesh**, **Dr. V. Suresh**, **Dr. P. Prabhakar**, **Mr. M. Laxman**, **Mr. Ch. Bhujanga Rao**, **Mr. D. Chanti Babu**, **Mr. D. Ramesh**, **Mr. B. Chinna Babu**, **Mr. V. Shekhar**, **Mr. D. Kumar Reddy**, **Mr. D. Raja Ram**,

**Mr. U. Ramulu, Mr.P.PurushothamReddy, Mr. D. Chandra Rao, Mr.K.Venkatesam** and **Mr.Kousil** for their suggestions and cooperation during my research work.

I would like to take this opportunity to express my sincere thanks to my colleagues & friends **Mrs. P. Sri Laxmi, Mrs. M. Krishnaveni, Mrs. P. Aparna, Ms. Arundhati, Ms. S.Lalitha, Mrs. P. Vanaja** for their continuous cooperation and encouragement throughout my research.

The thesis today is fruitful because I have been nurtured incessantly with moral support and encouragement since my childhood from **my teachers, my family members** and **friends**.

Words are not enough to express my thanks to my parents **Mr. K. Raj Mohan Rao & Mrs. K.Manjula Devi**, my younger brother **Mr. K. Kishore Kumar**, to whom I owe my very existence. I owe my special thanks to my Grand Father **Mr. S.Seetharama Rao** and my Grand Mother **Mrs. S. Pushpalatha**. Their blessings only have helped me in reaching this goal.

I am very much grateful to my husband **Mr. V. Murali Krishna** & my pretty daughter **V.Gnanahasini** for their affection, encouragement and support in pursuing this research work

The contribution extended either directly (or) indirectly by various departments of IICT, such as Chemical stores, Purchase Section, Glass Blowing, Workshop, etc., is appreciated.

I am grateful to **Department of Ocean Development, New Delhi** and **Council of Scientific and Industrial Research, New Delhi** for providing financial assistance in the form of Junior Research Fellowship and Senior Research Fellowship respectively.

Finally, I take this opportunity to thank one and all that has directly or indirectly helped me in completing this task.

**- KANKATI ASHALATHA**
