ACKNOWLEDGEMENT

I have undertaken the work for my Ph.D. Degree as a Research Scholar in the Department of Philosophy, Panjab University, Chandigarh, since 1999. In completion of my dissertation, I have received generous help from many individuals. A sincere attempt is made to express my appreciation of, and gratitude, to them.

It gives me great pleasure to take this opportunity to express my deepest sense of gratitude to my supervisors, Prof. Rekha Jhanji, and Prof. Dharmanand Sharma, for their able guidance, invaluable suggestions, and constructive criticism. Without their constant encouragement and moral support, this work, I must confess, would not have been able to see the light of prosperous day.
