ACKNOWLEDGEMENT

This study, put forth by me is owed by several people who met on my path. I am forever indebted to them for supporting me throughout these tiring years.

First and foremost, I owe a deep sense of gratitude to the sculptor of this study, my guide and mentor, Dr. Suniti M. Dharwadkar, Associate Professor and Head, Department of Biochemistry, S.B.E.S. College of Science, Aurangabad. I am grateful and speechless in thanking my guide. She has guided me through the process with patience and understanding. Her calm and understated approach instills self belief and motivation. She is an excellent mentor and has helped enormously along the way giving me both encouragement and space to grow intellectually and develop my research skills through this work forming.

I am extremely grateful to Dr S.V. Birajdar, Principal, S.B.E.S. College, Aurangabad, Dr. V.L. Deshpande, Dean, Government Medical College, and Dr. S.R. Barpande, Dean, Government Dental College, Aurangabad for their consistent encouragement and their graciousness in giving permission to carryout this study.

I owe gratitude to Professor, Dr. V.P. Patil, Biochemistry Department, Government Medical College, Aurangabad. I am
extremely grateful to the whole staff of Cobalt Unit, Government Medical College, Aurangabad, specially Dr. Shewalkar, Dr. Varsha Nandedkar, Dr. Aditya Bhatnagar and Dr. Malhotra for supporting me.

I extend my sincere thanks to Lecturers, PG Students, Technical and Nontechnical Staff, Biochemistry Department, Government Medical College, Aurangabad, for their invaluable support and constant inspiration.

I am extremely thankful to Dr. S.T. Sangle who pursued me constantly which resulted in completion of this work.

There are no words to express my sincere thanks to all my patients, who form the backbone of the study and who co-operated me to make this study fruitful.

I thank Atish Bhusare for careful typing.

There are no words to express my sincere thanks to my parents, brothers and relatives for their constant encouragement. Above all I am thankful to my daughter, Nupur, who kept patience while I was busy with my work. It is only due to the grace of the Almighty that I have finished this project.
