CHAPTER I: Introduction and Methodology  1 to 20

1.1 Introduction  01
1.2 Scope and Importance  06
1.3 Research Gap  10
1.4 Objectives  11
1.5 Hypotheses  11
1.6 Methodology  12
1.6.1 Selection of District  13
1.6.2 Selection of Taluk  15
1.6.3 Selection of Households  16
1.7 Limitations  16
1.8 Chapter Summary  17

CHAPTER II: Conceptual Framework on Fertilizer Subsidies
And Review of Literature  21 to 57

2.1 The Concept of Subsidy  23
CHAPTER III: Fertilizer Subsidies and Its Implications on the Agro Economy

3.1 A Cross Country Study 58
3.2 Benefits of Fertilizer Subsidies 59
3.3 Implications of Fertilizer Subsidies 61
3.4 Case Studies 69
3.5 Inputs Subsidies in India 76
3.6 Objectives of Inputs Subsidies 77
3.7 Measurements of Inputs Subsidies 78
3.8 Trend and Composition of Inputs Subsidies in India 79
3.9 Share of Total Subsidies to Marginal and Small Farmers 84
3.10 Crop-Wise Bifurcation of Input Subsidies 87
3.11 Subsidies for Irrigated and un irrigated Area

3.12 State-Wise Subsidies on Farm Input

3.13 Total Input Subsidies: State- Wise

3.14 Implication of Input Subsidies on Agro Economy

3.14.1 Cropping Pattern Effect

3.14.2 Environmental Effect

3.14.3 Equity Effect

3.15 Fertilizer Subsidies and its Implications on Indian Economy

3.15.1 Radical Growth in Fertilizer Subsidies

3.15.2 Crop-Wise Fertilizer Subsidies

3.15.3 State-Wise Implications of Fertilizer Subsidies

3.15.4 Farm Size Wise Implications of Fertilizer Subsidies

3.15.5 Fertilizer Use and Implications over Environmental Degradations

CHAPTER IV: Central Government Budget and Subsidies
In India

4.1 Fiscal Responsibility and Budget Management Act- 2003

4.2 Central Government Budgetary Subsidies in India

4.3 Trend in Central Budgetary Subsidies

4.4 Estimate of Central Budgetary Subsidies

4.5 Inter-Temporal Comparison

4.6 Central Budget Subsidies and its Implications

4.7 Implications of Fertilizer Subsidies on Central Budget

4.8 Fiscal Adjustment and Reforms over Budgetary Subsidies
CHAPTER V: Impact of Decrease in Fertilizer Subsidies on Fertilizer Consumption and Agricultural Productivity in Karnataka

5.1 Survey Result for Rabi Seasons of 2003.04 to 2004-05
5.2 Changes in the Fertilizer Consumption of Selected Taluks
  5.2.1 Maddur Taluk (Completely irrigated)
  5.2.2 Channapattana (Semi-Irrigated Taluk)
  5.2.3 Chikkaballapur (Dry Land)
5.3 Fertilizer Consumption across stages of Crops Growth
5.4 Changes in Crop-Wise Consumptions of Fertilizer in the Selected Taluk
  5.4.1 Maddur
  5.4.2 Channapattana
  5.4.3 Chikkaballapur
5.5 Changes in Productivity
  5.5.1 Maddur Taluk
  5.5.2 Channapattana Taluk
  5.5.3 Chikkaballapur Taluk
5.6 Survey Results for Kharif Seasons of 2003.04 and 2004-05
  5.6.1 Changes in Total Fertilizer Consumption in the Selected Taluks
    5.6.2 Channapattana (Semi -Irrigated)
    5.6.3 Chikkaballapur (Dry Land)
5.7 Fertilizer Consumption across stages of Crops Growth
  5.7.1 Maddur
5.7.2 Channapattana

5.8. Changes in Crop-Wise Consumption of Fertilizer in the
Selected Taluks

5.8.1 Maddur

5.8.2 Channapattana

5.8.3 Chikkaballapur

5.9 Changes in Productivity

5.9.1 Maddur

5.9.2 Channapattana

5.9.3 Chikkaballapur

CHAPTER VI: Findings, Suggestions and Conclusion 225 to 249

6.1 Findings 225

6.2 Suggestions 232

6.3 Conclusion 244
