Acknowledgement

It is a great pleasure for me to show indebtedness to eminent Professor Dr. K. M. Jadhav, who remained for me not only supervisor but also real philosopher and a guide. He showed me the path to work in area of garnet ferrite materials. His enlightened approach, keen interest and constant encouragement made it possible for me to complete this work. Words are not enough to express my gratitude towards him. I feel very proud and privilege to be his student and consider myself very lucky to work under his guidance. He is not the guide of my Ph D work but also my progressive life. I express my sincere gratitude to him for all his valuable suggestion, encouragement, guidance and the trust in me.

I express my special thanks to Dr. G. K. Bichile Professor and Ex. Head department of Physics, Dr. B.A.M.U. Aurangabad for their moral support.

I wish to record my wholehearted thanks to Prof. Dr. P.W. Khirade, Head department of physics, Prof. Dr. S. H. Behere, Ex head, Dr. Ramphal Sharma and all the faculty members of department of Physics for extending helping hands whenever I required.

I express grateful thanks to Hon. Bhimraoji Dhonde, president, Anand charitable trust, Ashti Dist. Beed, and Dr. H. G. Vidhate, principal, Anandrao Dhonde Alias Babaji college, kada, Tq. Ashti Dist. Beed for their kind cooperation during my Ph.D. years. I also thankful to all colleagues in my college for their kind cooperation.

I also wish to compensate thanks to Dr. D. R. Shengule Ex. BOS. Chairman of Physics, Dr. B. A. Marathwada University, Aurangabad. Dr. S. J. Shukla, Dr. R. G. Dorik, Dr. A. A. Pandit, BOS. Chairman of Physics, and Principal, Dr. D. S. Pawar Principal, Dr. S. R. Nimbore, Dr. Suresh Jadhav, for their constant encouragement.

The effort of this scale is definitely possible unless the blessing, motivation and enablement is possible for which, I would like to specially thanks here to freedom fighter Late M. T. Jadhav (Baba), Late Sushilabai Jadhav, Sau Sheela K. Jadhav, and all members of Jadhav family.
I gratefully acknowledge R.P. Shaha TIFR Mumbai, Department of physics University of Pune, Dept. of Physics Shivaji University Kolhapur, and Department of physics University of Rajkot for granting me access to their library and laboratory facilities.

It is my pleasure to express my deep appreciation to my research colleague, Dr. C. M. Kale, Dr. S. D. More, Shri. B. R. Shinde, Dr. Sagar Shirsat, Dr. B. G. Toksha, Dr. U. B. Dindore, Dr. S. V.
