ACKNOWLEDGEMENT

A sincere, wholehearted gratitude and humble salute to Dr. Umesh Ch. Sarma, Vice Chancellor, Srimanta Sankaradeva University of Health Sciences, a cardinal boon in churning out the latent potentials of the investigator.

Genuine gratitude to the Nodal officer of NRHM Dr. P.K. Lahkar of Sonitpur District, for giving me permission to conduct my research study.

Genuine gratitude to Dr. Susanta Dutta, the physician of Durung Tea Estate for his timely cooperation, valuable suggestion and guidance.

My sincere thanks to the Managers of different tea gardens of Sonitpur district and the samples for their cooperation and help extended to me during the study.

Grateful acknowledgement to all the medical and nursing experts for validating the contents of the tool and for their valuable suggestions.

I owe my special thanks to Mrs Ruma Talukdar for her guidance in data analysis and interpretation.

I immensely thankful to Ms Rita Saikia Dutta, Associate Professor of English of Tezpur College for English editing.
I am very much obliged to my parents specially my dearest mother Mrs Jetuki Saikia, for her dedication, prayer, challenging encouragement, support, unconditional love and source of strength throughout my life and during the study.

Words are beyond expressions for the measureless emotional support, technical guidance of completing this manuscript by my dearest husband Mr. Rupam Borgohain and my sweet son master Darshish Borgohain for his unconditional love and cooperation towards my study.

A warm gratitude to my family members Mr Deben Borgogain, Mr Ranjan Borgohain, Ms Jahnabi Koch, my niece Shriya and my all well wishers for their support and special thanks to Ms Manjula Hussain, Ms. Gitimoni Konwar, Enu Boro, Smiritirekha Kkound for their support and cooperation during the study.

Above all, with severance and sincerely, I thank the Almighty for bestowing his bountiful grace which enriched me throughout every minute step of my attempt to covert this work into a reality and I accord it as corner stone for the successful completion of this.
