Acknowledgment

The investigator expresses his deep sense of gratitude to his research guide, Dr. Sopan E. Kangane, Dean Faculty of Physical Education, University of Pune, Pune and Associate Professor in M. Ms Chandarshekar Agashe College of Physical Education, Gultekadi, and Pune, India for his generous advice, valuable guidance and scientific approach to complete this investigation. The researcher also acknowledges his sincere thanks to Dr. Vazgen Minasian, Assistant Professor at the University of Esfahan, Iran, for statistical analysis and valuable suggestions.

I convey my thanks to Dr. Mrs. Nayana Nimkar, Head Department of Physical Education and all the staff members of the Department of Physical Education, University of Pune, especially Shri, Vishnu Pethkar, faculty member, for his valuable suggestions. The researcher is grateful to his sincere friends, Enayatolah Assadmanesh, member of faculty of Shiraz University, Saeed Ghodsbin, javad Soghadi, Khalil koreshfar, Mohsen tabesh, Director of Physical education office in Fars province, Afashar Abolhasantash and his staff members at the sports complex in Shiraz city for their valuable and priceless help, and also thanks to all the school Principals and physical education teachers in Shiraz (Iran) and Pune city (India) who permitted and helped me to conduct the test.

Although the thesis has been dedicated to his father "Late Gholamreza khajavi" the researcher expresses his special thanks to his mother, brother, Bahman Khajavi, sister, Susan khajavi, father and mother-in-law, for their favorable support. He also acknowledges heartfelt thanks to his darling wife who was the inspiration and an ardent supporter for the completion of this endeavor. The researcher is indebted to his friends and others who directly or indirectly cooperated in completing this investigation successfully.

September 2010

Naeima Khajavi
