ACKNOWLEDGEMENT

First and foremost I am thankful to the “Almighty God” for his bountiful grace throughout my life.

Guidance in the proper direction is a necessity for any form of success in life, it gives me immense pleasure to express my deepest and heartfelt gratitude to my guide, Dr. S. Manjappa Assistant Professor, University B.D.T. College of Engineering, Davangere for his genuine interest, who always was a tremendous source of inspiration and of invaluable help in channeling my efforts in the right direction.

It is a great honour to express my sincere and heartfelt gratitude to my co-guide Dr. E.T. Puttaih Professor and Chairman, Department of Environmental Science & Water Management and Water Harvesting, Kuvempu University, Jnana Sahyadri, Shankaraghatta, for his constant encouragement and noble guidance during the period of my research work.

It is the immense pleasure to express my sincere thanks and gratitude to my noble teacher Dr. K.S. Rangappa Professor, Department of Studies in Chemistry, Manasagangotri, Mysore University, Mysore for his guidance and valuable suggestions during my research work.

I owe my deep sense of gratitude to Dr. Lata B. Gokhale, Principal, A.V.K. College for Women for her perfection and dedicated professional insight have been a source of constant inspiration to me.

It is my privilege to thank Dr. S. Suresh Chandra Mohan, Principal, University B.D.T College, Davangere, Dr. S. Manjappa, Professor and HOD, Dr. B.E. Basavarajappa, Assistant Professor, Department of Chemistry, Dr. H.B. Aravind, Professor and Dr. S. Suresh, Assistant Professor, Department of Civil Engineering, Bapuji Institute of Engineering and Technology for their kind help and co-operation during my research work.
It is my privilege to thank Dr. S. V. Krishnamurthy and Dr. J. Narayana, Readers, Dr. K. Yogendra and Dr. Hina Kausar, Lecturers, Department of Environmental Science for their kind help and co-operation during the period of investigation.

I go down my words if I don’t express my sincere and warm gratitude to Sri. Shamanur Shivashankrappa M.L.A., Davangere. Hon’ble Secretary, B.E.A., Davangere and Sri. A.C. Jayanna, Treasurer, Sri. K.B. Mallikarjun, Ex. MLA, Birur and K. Shadakshariyappa, Administrative Officer, Bapuji Educational Association, Davangere for their constant encouragement and academic support.

I would like to render my deep sense of greatfulness to Prof. C.H. Murigendrappa, General Secretary, FUCTAK, President, KUPCTA for his constant advice and encouragement.

It is my esteemed duty to reserve my high regards to my colleagues and friends Prof. Mallikarjunappa, Prof. Shivaprakash, Prof. Palaksha, Dr. B.P. Kumar, Sri. T.L. Gururaj, United States of America, Smt. Madhuramma, Mr. Karibasappa A. and Sri. Basavaraj Lecturer, Bijapur for their encouragement.

I would like to acknowledge my deep sense of gratitude to my respectable aunt Smt. Anusuya M.V. for her innumerable sacrifices, patience, love and understanding that has brought me where I am today. I remain ever greatful to her.

I would like to express my sincere and deepest gratitude to my father Sri. M.P. Shivashankar, mother Smt. Nagarathna, for their love and blessings made me the person I am today.

I would like to render my deep sense of gratefulness to my father-in-law Sri. A.B. Nagaraj. Mother-in-law Smt. Prema for their cooperation during period of my research work.
I have had the good fortune of receiving very generous and spontaneous moral support, cooperation from my wife, Smt. Suma A.N. throughout the period of my research work. I remain ever grateful to her.

I find no reliable words to express my profound indebtedness and heartfelt sense of gratitude to my family members, Sri. Somasundar and Smt. Rekha, Sri. Shanthalingaswamy Hiremat and Smt. Usha, Dr. Onkarappa and Smt. Shamala and their family members for their affection and love during my research work.

My adorable thanks to Smt. Susheela Puttaiah, Smt. Anitha Manjppa, and Smt. Ratna Palakshappa for their affectionate and encouragement.

I am very happy to express my deepest love to my sons Mr. Nishchal M.N. and Mr. Rithesh M.N. for their cooperation during my research work.

My sincere thanks to all the staff of Zen Computer Technology for their efficient work in preparing this thesis.

I thank all the teaching and non-teaching staff, Department of Environmental Science, Kuvempu University, who have given moral support and timely help in many ways during my research work.

NANJUNDA SWAMY M.S.
