ACKNOWLEDGEMENTS

I am very much delighted to have this opportunity to record my heartfelt and profound sense of gratitude to my revered teacher and research supervisor Prof. S. Venkata Naidu, Professor of Polymer Science & Technology, Head of the department and Ex-Registrar of S.K University, Anantapur, for his inspiring and instructive guidance throughout my research work. I have always had free access to him for which I once again express my gratefulness to him. His encouragement, helpful discussions and care even in minute details are responsible for the present shape of this thesis.

I express my profound gratitude and appreciation to M/s L.G.Polymers, India Pvt Ltd, for sponsoring and supporting this study and Mr.Y.J.Huh, MD, J.W.Kim, Technical Coordinator, Mr.M.Prasad Babu, Dir. Operations, and Mr.S.V.Praveen, Vice President, for providing useful resources for carrying out this research. I thank all members of Customer Services Department, Quality Control Department and Innovative department for their timely cooperation in carrying out this research work.

I am thankful to, Prof. A. Varadarajulu Professor of Polymer science & Technology, S.K. University, Anantapur, for his valuable suggestions. I express my profound thanks and gratitude to Prof K. Cherudoji Rao, Chairman, Board of Studies, in Department of Polymer Science and Technology, S.K. University for his valuable inputs and timely help provided throughout the study. I am also thankful to Prof K. Mohana Raju Faculty of Department of Polymer Science & Technology, S.K. University, Anantapur, for the help and encouragement.

I express my special thanks to Mr. V.V.Suresh, Mr. B.Taylor, Dr H.M.P.Naveen Kumar, and Dr.B.G.Lokesh who assisted in carrying out this work. I extend my appreciation and thanks to Mr U.B.Ramayya, Mr P Atchi Babu, Mr G.Suryanarana, Mr A.Raghava Rao, and Mr R. Sankar Rao for their timely help in assisting in Analysis and Testing.

I am thankful to Dr. Mohan Reddy, Mr. G. Ramachnandra Reddy Miss.P.Noorinnasa Khanam, Miss Y.Shiva Bharathi for their cooperation and help provided in completing this research.
I am thankful to Mrs. S. Padmavathi Venkata Naidu, for the help and encouragement during the course of study.

I am thankful to Prof. M.C.S. Subha, Department of Chemistry, for the help provided during the course of research.

I am thankful to Mr. Taher. Deghaye, GM, RAK Plastics, Ras Al Khaimah, UAE for his encouragement and support. I am also thankful to Ruurd Abma, COO RAK Gas, Ras Al Khaimah for the support provided.

I express my special appreciation and thanks to my wife N.C. Mythili, and my children, N.C. Srikrishna Chaitanya, and N.C. Pavan Kumar for their continuous encouragement provided during the entire research.

Finally I am obliged to the authorities of SRI KRISHNADEVARAYA UNIVERSITY for providing me an opportunity and necessary facilities for carrying out this research work.

N.C. Bhogendra Nath
