ACKNOWLEDGEMENT

This research was successful because of many individuals who were associated with it, without whose expertise and labor it would not have been possible. I would like to place on record, my profound thanks to the following persons for their guidance, counsel, cooperation and cherished support.

First and foremost I express my thanks to the Lord Almighty with eternal gratitude for the blessings showered on me to complete this research work successfully.

I avail this opportunity to place on record my deep sense of gratitude to my research supervisor, Dr. Lalitha Ramaswamy, M.Sc., Ph.D., Associate Professor and HOD of Department of Nutrition and Dietetics, P.S.G College of Arts and Science, Coimbatore, for graciously accepting to be my guide, which I deem a privilege. I will always remember her for her immense knowledge, motivation, continuous support and encouragement which helped me to complete this study. Her sincerity, confidence and personal efforts in addressing any hurdle associated with my research gave me the assurance to face and tide over impediments effectively at every stage of the research.

I would like to extend my deep sense of gratitude to Prof. Dr. (Mrs). K. Manimekalai, Vice Chancellor, Mother Teresa Women’s University, Kodaikanal – 624101, and to Dr. K. Rethi Devi, Dean Research, Mother Teresa Women’s University, Kodaikanal – 624101, for giving me this opportunity to carry out my work successfully and help me in my career growth.

I also thank Dr. Saju Cherumadathil, HOD and Ms. Rajitha, Bio Statistician, Department of Community Medicine, Amala Medical College, Trissur for their statistical guidance.
I feel highly indebted to **Mrs. Helen Job**, Principal, Assisi Vidya Nikethan Public School, Kochi for her support in permitting the school children to be the subjects of this study. My special thanks to the school children, staff for their kind cooperation during my data collection, food festival and nutrition education programmes in the school.

I express my heartfelt gratitude to **Dr. K. V. Beena**, District Programme Manager, National Rural Health Mission for permitting to carry out the data collection from St Joseph’s Higher Secondary School, Piravom, Kochi.

My special thanks are due to **Mr. Narayanan**, Pixel Studio, Ernakulam and **M/S Cam Xerox**, Ernakulam for their timely help in preparing and printing the manuscript.

I thank my dear parents **Mr. P B Khalid and Subaida Khalid** for giving me the courage, wisdom and strength to go through the inevitable ups and downs in the process of my research, which was a constant motivation in my research endeavor.

Last but not the least I would like to thank my dear husband **Dr. Muhamed Ismail P.M** for his support and encouragement throughout the study period. The role of my children, **Abid Ismail** and **Azeem Ismail**, for not only being patient but also in contributing in myriad ways cannot be over emphasized.
