ACKNOWLEDGEMENT

I thank the authorities of the University of Madras and the Director of Collegiate Education, Chennai for having given me the permission to undertake this research work. I express my thanks to PROF. A. ABRAHAM GEORGE, Principal, A.A. Government Arts College, Viluppuram for his moral support.

I wish to place on record a deep sense of gratitude to my guide and supervisor DR. S. SHUNMUGA SUNDARAM, M.Com., Ph.D., Professor and Head, Department of Commerce, P.G. Extension Centre (Now Periyar University) at Salem - 11 for his invaluable guidance. It was a great pleasure to be guided by such a person of perfection with a high degree of social consciousness and honesty. His relentless, affectionate and sometimes strict discipline helped me to grow myself to claim this degree. He has been my guide in the true sense of the word. At every stage of my work he offered me advice and suggestions which went a long way in completing this work successfully.

My thanks are due to late DR. N. VINAYAKAM, M.Com., Ph.D., Professor and Head, Department of Commerce, Madras University, P.G. Extension Centre, Salem -11 under whose guidance I registered for this research work.

I earnestly thank DR. E. KRISHNAN, Reader in Economics, Department of Economics, Government Arts College, Salem-7 for his concrete guidance and valuable suggestions at every stage of this research project.

I am exceptionally grateful to PROF. S. RAJAN, Professor of English, Government Arts College, Viluppuram for the useful discussion and help rendered to me in the course of my work. I express my thanks to DR. V. FRANK RATNA KUMAR, Reader in Co-operation, Department of Co-operation, T.B.M.L. College, Porayar for his valuable help.
A very special word of thanks to MR. D. GANESAN, Senior lecturer in Commerce, A.A. Government Arts College, Viluppuram who helped me in the collection of data in connection with my study. I also express my thanks to my colleagues for their encouragement. I must also thank PROF. P. KUMARAN, Head of the Department of Computer Science, A.A. Government Arts College, Villupuram for his valuable suggestions and help.

During the course of the collection of literature for this report I have received help from several librarians. I wish to thank them all from the bottom of my heart.

The officials and other members of the PACBs and DCCBs received me with all the warmth and readily helped me whenever I approached them. I thank them for their timely help. During my survey, the spontaneous and kind co-operation rendered to me by the employees and members of the Co-operatives kept my morale and spirits uniformly high which led to my observations and findings in this thesis. I do not find words to thank them for this.

I wish to make special mention of my better-half MRS.G. REBEKKAL Jeba Jothi, P.G. Asst., Government Girls Hr. Secondary School, Viluppuram, who spurred me on whenever my spirits drooped and helped me in the writing of the thesis. I am also thankful to my sons E. Joy Edwin Raja and E. Ebene Raja for their sacrifice, co-operation and periodical encouragement that served as a great tonic for my enthusiasm and spirit to fulfill this task.

I wish to thank MR. K. Sivakumar and K. Anand, Sunshine Computers, Viluppuram who were of immense help in typing and retyping a large volume of data and manuscript. My success in this effort to achieve a higher degree of academic excellence was made possible by a still larger number unnamed but not forgotten persons. I salute them all. May their tribe increase!

Above all, I thank and praise GOD ALMIGHTY for giving me the wisdom and guidance to complete the present study.
