Acknowledgements

I wish to express my sincere thanks and gratitude to my guide Dr. Madanmohan, Professor and Head, Department of Physiology, JIPMER, Pondicherry.

My sincere thanks are due to Dr. P. H. Ananthanarayanan, Director and Dr. Ashok Kumar Das, Dean, JIPMER, Pondicherry for permitting me to carry out this Ph.D. work in JIPMER.

I am grateful to Dr. S. Badrinath, Director Professor of Microbiology and Medical Superintendent, JIPMER and Dr. A. Namasiyavam, Professor and Head, Department of Physiology and Director, A. L. Mudiali Postgraduate Institute of Basic Medical Sciences, Taramani, Chennai for their valuable suggestion and interest in my project.

I take this opportunity to express my sincere thanks to Dr. (Mrs) Suseela Veliath, Professor of Physiology and Dr. (Mrs) P. Vijayalakshmi, Associate Professor of Physiology for their constant encouragement and valuable help throughout this work. I wish to place on record my gratitude to Dr. Harsha, H.N., Postgraduate student in the Department of Physiology, who has rendered help in preparation of graphs.

I thank Dr. M. Batmanabane, Professor of Anatomy and Dr. C. Adithan, Professor of Pharmacology, JIPMER, for permitting me to avail facilities in their laboratories. I owe my sincere thanks to Dr. S. Sethupathy, Professor and Head, Department of Biochemistry, Rajah Muthiah Medical College, Annamalainagar, for verifying the strength of the vitamin samples used in the study.
The technical help rendered by Mrs. Selvam Sree Ramachandra Raj in the department, needs special mention. I am grateful to Mr. Subbaraman who helped me in the maintenance of rats used in the project.

I profoundly thank Dr. (Mrs.) Mathangi of A.L. Mudaliar Postgraduate Institute of Basic Medical Sciences, Taramani, Chennai for helping me with the statistical analysis.

I wish to thank all the members of staff in the Department of Physiology for their co-operation and help extended to me during the conduct of this study.

I owe my sincere thanks to Mr. S. Perumal, JIPMER, Pondicherry who typed the thesis so meticulously and efficiently and to the Medical Illustration Division, JIPMER, for the photographs.

This thesis would not have been possible without the support of my husband Dr. S. S. Sathiamoorthy and my daughter Ms. S. Subha.
