ACKNOWLEDGEMENTS

The present work is the product of many forces working together in unison. I will be branded if I do not put in words of print my heartfelt gratitude towards the various people without whose support it would have been impossible to see this work in the present state.

It is my distinct honour and rare privilege to have work under the able guidance of my guide Prof. (Mrs.) R. Puri for her whole hearted help, kind inspiration, keen interest, affectionate guidance, constructive criticism, valuable suggestions and analytical discussion in the research problem. I am deeply indebted to her for genial modesty and able guidance rendered during the course of this study.

I acknowledge my sincere thanks to Dr. (Mrs.) Usha Dhawal, Principal, Government Home Science College, Chandigarh for providing necessary facilities and help for this study.

I am profoundly grateful to the staff members of Govt. Home Science College for rendering me academic and moral support during the course of my study. My special are due to Technicians and Office Staff of the College.

I am also thankful to Library staff of Govt. Home Science College, Chandigarh, Panjab University, Chandigarh, PGIMER, Chandigarh, Medical College, Chandigarh, TTTI, Chandigarh, P.A.U., Ludhiana, NML, New Delhi, AIIMS, New Delhi, NIPCCD, New Delhi, ICMR, New Delhi, Medical College, Simla.

I am also grateful to staff of National Informatics Centre, Ministry of Information Technology, Govt. of India, Chandigarh for providing Internet and Medical Database support.
I specially thank for meticulous efforts and unmatched professional support provided by Mr. Ramesh C. Goel in statistical analysis of the data in the present study.

I sincerely acknowledge my gratefulness to the Doctors and Para-Medical Staff of Health Department, Govt. of Haryana and functionaries of ICDS of the State of Haryana.

I am grateful to the subjects of study for their willing and uninhibited participation and co-operation throughout the course of the study.

Words are insufficient to express my hearty thanks to Mrs. and Mr. R. K. Nanda, my parents-in-law for their moral support, affectionate inspiration and silent sacrifices.

I express my deepest sense of gratitude to my husband, Mr. Deepak Nanda, who had been main stay and pillar on whom I could lean with confidence when met with impediments, which appeared to be un-surmountable.

In no less measure, I am thankful to my children, Arjun and Swati for their patience, co-operation and understanding. I am indeed grateful to Arjun for assisting me to work on Computer.

A word of thanks is also due to all my friends and those who remain unmentioned but have contributed in some way or the other.

Above all, I am grateful to Almighty for His blessings and grace for fulfilling my aspirations and achieving my goal.
