P R E F A C E

The present project was undertaken to pool the information on the chromosomes of the beetles belonging to the super-family Curculionoidae from the various geographically isolated zones. This account deals with the karyology of the beetles and has been divided into different chapters.

I wish to place on record my sincerest gratitude to my revered teacher, Dr. G.P. Sharma, Ph.D. (Pb.), Ph.D. (Edin.), F.A.Z., F.I.A.Z., F.Z.S., F.Z.S.I., F.R.M.S., F.M.A.Sc., F.M.A., Professor of Zoology, Panjab University, Chandigarh for his unfailing encouragement and continuous inspiration at all times.

I am thankful to Dr. H.S. Vasisht, Chairman, Department of Zoology, Panjab University, Chandigarh for his generosity in having liberally provided me with all the necessary laboratory facilities.

I also offer my warm thanks to Dr. E.R. Pajni, Reader in Entomology and Co-Investigator of the scheme, Mr. Chanan Singh Sidhu, Mr. Sunil K. Kohli and Miss Sukesha Sood, research scholars in the U.S. PL-48C Scheme on Curculionidae for having identified the research material.

This research has been financed in part by a grant made by the United States Department of Agriculture under PL-48C which is gratefully acknowledged.
Finally, I place on record my deep indebtedness to my parents, my seniors and juniors, who stood by me with their whole-hearted co-operation throughout the period of my research.

Vinod Pal.
