ACKNOWLEDGEMENT

I wish to express my sincere thanks to my guide Dr.P.Thillai Arasu, Professor & Head, Department of Chemistry, Kalasalingam University, Krishnan Koil, for his keen interest, valuable guidance, strong motivation and constant encouragement during the course of this work.

I would like to extend my gratitude to Dr. E. Subramanian, HOD & Faculty member, Department of Chemistry, Manonmaniam Sundaranar University, Tirunelveli, for his warmth and support which helped me a lot in completing this research work. In particular, I would like to thank Dr. S.Sivakumar, Mazihalam Herbal garden Mallur, Salem District. Whose guidance is a privilege very few people can have.

Far too many people to mention individually have assisted in so many ways during my work. They all have my sincere gratitude. I am thankful to my juniors Mrs.L.Sudhapriya, Ms.P.Kavitha, Ms B.Sarathy, Ms.R.Vishnupriya and Mr.Srinivasan, for extending their co-operation in many ways. I also extend my gratitude to lab assistant Mrs.Prema Raju for her constant encouragement and hospitality during my research work.

I take pleasure in thanking Ph.D., Scholars, Mr N.Kandasamy of Sona College of Technology, Salem and Mrs.J.Sumitha of JBAS College for women, Chennai, for their valuable contribution.

Last but not least, I would like to thank my wife and children for their moral support that kept my spirit up during the endeavor. Their love and understanding have been the unfailing source of my strength and courage.

(C.Rathanavel)
