ACKNOWLEDGEMENTS

When you walk on an arduous journey, the people who support you and pray for you, are the ones who make the journey something to cherish. I take this opportunity to extend my sincere gratitude and appreciation to all those who made this Ph.D thesis possible. I would like to express my most sincere gratitude to all of them, including those whose names do not find a mention here.

First and foremost, I express my deep sense of gratitude to Dr Ashok Gupta, Vice Chancellor, The IIS University, Jaipur and Dr. Raakhi Gupta, Registrar, The IIS University, Jaipur, Prof. Pradeep Bhatnagar, Dean, Faculty of Science, for the academic and logistical support to carry out the research work at the University at various stages of the program.

I am extremely grateful to my research guide, Dr. Swati V. Chande, Professor, IIIM, Jaipur. Throughout my Ph.D, I have looked upon her for her advice, inspiration, encouragement and continuous support. Her enthusiasm, integral view on research and her mission for providing high-quality work, has made a deep impression on me. I owe her lots of gratitude for having me shown this way of research. I am really glad to be associated with a person like her in my life.

I would like to record my gratitude to Prof. K.S. Sharma, Advisor, The IIS University, Jaipur for his inspiration and valuable guidance. His keen observation and an eye for perfection helped me in forming a strong base for my work. I also thank my DRC members, Prof. Madhvi Sinha, BIT Mesra, Jaipur, Prof. Reena Dhadhich, University of Kota, Prof. Praveen Dhyani, Banasthali Vidyapeeth, Jaipur for their valuable suggestions and guidance during my annual progress presentations.

I also record my gratitude to mentors abroad like Dr. Lukasz Kaiser, Software Engineer, Google Inc., CA and Dr. Gianluca Demartini, Lecturer, Data Science, The University of Sheffield, UK for their valuable and constructive suggestions.

A special mention of thanks to my friends Ms. Neha Tiwari for lending me a supporting shoulder, Ms. Shveta Parnami, Head (CS & IT) for all the research discussions and helping hand, Ms. Ruchi Nanda for valuable insights and Ms. Angana Datta for helping me in research diagrams, and entire CS & IT faculty for boosting me up to achieve this goal.
I must thank **Dr. Kavaldeep Dixit**, Professor, IIIM and **Dr. Vijay Gupta**, Sr. Asst. Professor, IIIM for willingly helping me in finalization of the experimental dataset. I would also like to thank the faculty members of IIIM and my department for their earnest help in framing of search strings for the dataset.

I would like to extend my gratitude to my lab assistants **Mr. Utsav Malpani** and **Mr. Rameshwar** for the unconditional help. I would also like to mention Late. **Sh. Sainiji** and **Jaswinder Ji**, Research section and **Mr. Abhishek Sharma**, Publications Officer and Library Staff for their support and help whenever I needed it.

No task in this world can be completed successfully without the support of your family. My heartfelt regard goes to my parents in-law, **Sh. Kishore Chand Jain** and **Smt. Vimla Jain**. Their patience and sacrifice will remain my inspiration throughout my life. I also feel a deep sense of gratitude for my parents **Sh. Virendra Singhvi** and **Smt. Tara Singhvi** who formed part of my vision and taught me good things that really matter in life. The completion of this thesis is a dream come true for them. I am also very much grateful to all my family members and friends for their constant inspiration and encouragement.

A building cannot stand for long without a strong foundation. Words fall short to express my appreciation and gratitude for my husband **Mr. Vipin Jain**. His untiring cooperation, constant motivation and unflinching support boosted my morale and helped me to lead my way through the difficult times. It was my son **Bhavya Jain**, who taught me the power of positivity which helped me to come out of those rough times. A special thanks is due to my daughter **Vishakha Jain** who helped me in bearing the strain of this whole exercise.

At the end, I want to thank God for bestowing on me the strength of perseverance and self belief which was needed at many occasions during the difficult phases of this work. I hope to continue to enjoy this supply of faith in the times to come.

**Anubha Jain**
