5. SUBJECTS AND METHODS

5.1. Selection Of Subjects
   5.1.1 General
   5.1.2. Inclusion Criteria
   5.1.3. Exclusion Criteria
   5.1.4. Reasons For Choosing Subjects From The Yoga Research Foundation
   5.1.5. Preparation Of The Subjects

5.2 Details Of Equipment Used And Calibration Of Equipments
   5.2.1 The Equipment.
   5.2.3. Flow Volume, Flow And Gas Calibrations
   5.2.4. Oxygen Analyzer

5.3. Demographic Data Collection And Instructions Regarding Food
   5.3.1. Methods Used For Anthropometric Assessments

5.4. Design And Procedure For Assessments
   5.4.1: BMR Studies
   5.4.2: Sleep Studies
   5.4.3. Asana Studies
   5.4.4. Relaxation Studies
   5.4.5. Cyclic Meditation

5.5. Details Of Parameters Measured

5.6. Data Collection

5.7. Data Analysis: Statistical Procedure

6. RESULTS

6.1. BMR Studies
6.2. Sleep Studies
6.3. Asana Studies
   6.3.1. Ardhakati Cakrásana (AKC) With Awareness
   6.3.2. Ardhakati Cakrásana With Counts
   6.3.3. Pádahastāsana With Awareness
   6.3.4. Pádahastāsana With Counts
   6.3.5. Ardha Cakrásana With Awareness
   6.3.6. Ardha Cakrásana With Counts

6.4. Relaxation Studies
   6.4.1: Instant Relaxation Technique (IRT)
   6.4.2: Quick Relaxation Technique (QRT)
6.4.3: Deep Relaxation Technique (DRT) 81
6.4.4: Šavāsana 82
6.5. Cyclic Meditation And Metabolism 83

7. DISCUSSIONS 85
7.1. BMR 85
7.2. Sleep studies 88
7.3. Āsana Studies 92
7.4. Relaxation studies 96
7.5. Cyclic Meditation 101

8. SUMMARY AND CONCLUSIONS 105
8.1. Limitations of the study 109
8.2. Suggestions for future research 110
8.3. Implications of the study 110

BIBLIOGRAPHY 112

APPENDIX

Appendix 1 Details of oxygen consumption values of various studies on Yoga i
Appendix 2 Standardisation and validation of equipments iii
Appendix 3 Oxycon-Pro Equipment Details iv
Appendix 4 List of abbreviations v
Appendix 5A Demographic Data Application Form vi
Appendix 5B Assessment-wise Data Register vii
Appendix 5C Date-wise Data Register for assessments viii
Appendix 6 FAO/WHO/UNU equation for prediction of BMR ix

List of Tables

Table 3.1 : Pilot study on the effect of mask 45
Table 3.2.1 : Anthropometric characteristics of subjects of RMR and Šavāsana studies 47
Table 3.2.2 : Mean and SD values of measured parameters of Šavāsana and Supine Rest position 48
Table 5.1.A : Details of type of assessments, Groups and no. of subjects 56
Table 6.1.1: BMR study: Age and anthropometric characteristics of men and women of Yoga and Non-Yoga Groups

Table 6.1.2: Yoga and Sex cross-tabulation

Table 6.1.3: BMR values in yoga and non-yoga groups with their mean predicted values

Table 6.1.4: BMR study — Gender-wise comparison of BMR of Yoga and Non-Yoga Group along with their predicted values

Table 6.1.5: BMR study — Gender-wise comparison of all other measured parameters of yoga and non-yoga group

Table 6.2.1: Sleep study — Age and anthropometrical characteristics of men and women of Yoga and Non-Yoga Groups

Table 6.2.2: Sleep studies— Energy Expenditure of Yoga and Non-yoga group before and after sleep

Table 6.2.3: Sleep Study — Gender-wise comparison of BMR of Yoga and Non-Yoga Group along with their predicted values

Table 6.2.4: Sleep study — Gender-wise comparison of yoga group and non-yoga group in all the other parameters other than Energy Expenditure

Table 6.3.1 A: Anthropometric Characteristics of Subjects — ArdhaKaṭi Cakrāsana done with Awareness

Table 6.3.1 B: Details of measured parameters in ArdhaKaṭi Cakrāsana done with Awareness

Table 6.3.1 C: Details of measured parameters in ArdhaKaṭi Cakrāsana done with Awareness — women

Table 6.3.1 D: Details of measured parameters in Ardha Cakrāsana done with Awareness — Men

Table 6.3.2 A: Anthropometric Characteristics of Subjects — ArdhaKaṭi Cakrāsana with counts

Table 6.3.2 B: Details of measured parameters in ArdhaKaṭi Cakrāsana with counts

Table 6.3.2 C: Details of measured parameters in ArdhaKaṭi Cakrāsana with counts — women

Table 6.3.2 D: Details of measured parameters in ArdhaKaṭi Cakrāsana with Counts — Men

Table 6.3.3 A: Anthropometric Characteristics Of Subjects — Pādahastāsana done with Awareness

Table 6.3.3 B: Details of measured parameters in Pādahastāsana done with Awareness

Table 6.3.3 C: Details of measured parameters in Pādahastāsana done with Awareness — Women

Table 6.3.3 D: Details of measured parameters in Pādahastāsana done with Awareness — Men
Table 6.3.4 A: Anthropometric Characteristics Of Subjects — Pādahastāsana with Counts

Table 6.3.4 B: Details of measured parameters in Pādahastāsana with Counts

Table 6.3.4 C: Details of measured parameters in Pādahastāsana with Counts — women

Table 6.3.4 D: Details of measured parameters in Pādahastāsana with Counts — Men

Table 6.3.5 A: Anthropometric Characteristics Of Subjects — Ardha Cakrāsana with Awareness

Table 6.3.5 B: Details of measured parameters in Ardha Cakrāsana done with Awareness

Table 6.3.5 C: Details of measured parameters in Ardha Cakrāsana done with Awareness — Women

Table 6.3.5 D: Details of measured parameters in Ardha Cakrāsana done with Awareness — Men

Table 6.3.6 A: Anthropometric Characteristics of Subjects — Ardha Cakrāsana with Counts

Table 6.3.6 B: Details of measured parameters in Ardha Cakrāsana with counts

Table 6.3.6 C: Details of measured parameters in Ardha Cakrāsana with counts — women

Table 6.3.6 D: Details of measured parameters in Ardha Cakrāsana with counts — Men

Table 6.3.7 A: Comparison of Measured Parameters in three types of Āsana done “With counts”

Table 6.3.7 B: Comparison of Measured parameters in three types of Āsana done “With Awareness”

Table 6.3.8 A: Comparison in Measured parameters in three types of Āsana done “With counts ” in Women

Table 6.3.8 B: Comparison of measured parameters in three types of Āsana done “with Awareness” in Women

Table 6.3.9 A: Comparison of measured parameters in three types of Āsana done “with Awareness” in Men

Table 6.3.9 B: Comparison of measured parameters in three types of Āsana done “with Awareness” in Men

Table 6.3.10 A: Comparison of measured parameters in Ardha Cakrāsana done with Awareness and With Counts

Table 6.3.10 B: Comparison of measured parameters in Pādahastāsana done with Awareness and With Counts
Table 6.3.11 A: Comparison of measured parameters in Ardhañkati Cakrahāsana done with Awareness and With Counts — Women

Table 6.3.11 C: Comparison of measured parameters in Ardha cakrahāsana done with Awareness and With Counts — Women

Table 6.3.11 B: Comparison of measured parameters in Pādhahastāsana with Awareness and With Counts — Women

Table 6.3.12 A: Comparison of measured parameters in Ardhañkati Cakrahāsana done with Awareness and With Counts — Men

Table 6.3.12 C: Comparison of measured parameters in Ardhañkati Cakrahāsana done with Awareness and With Counts — Men

Table 6.3.12 B: Comparison of measured parameters in Pādhahastāsana done with Awareness and With Counts — Men

Table 6.4.1 A: IRT- Anthropometric Characteristics Of Subjects

Table 6.4.1 B: IRT- Details of Measured parameters

Table 6.4.1 C: IRT- Details of measured parameters in Women group

Table 6.4.1 D: IRT- Details of measured parameters in Men group

Table 6.4.2 A: QRT- Anthropometric Characteristics Of Subjects

Table 6.4.2 B: QRT- Details of Measured parameters

Table 6.4.2 C: QRT- Details of measured parameters in Women

Table 6.4.2 D: QRT- Details of measured parameters in Men

Table 6.4.3 A: DRT- Anthropometric Characteristics Of Subjects

Table 6.4.3 B: DRT- Details of measured parameters

Table 6.4.3 C: DRT- Details of measured parameters in Women

Table 6.4.3 D: DRT- Details of measured parameters in Men

Table 6.4.4 A: Śavāsana - Anthropometric Characteristics Of Subjects

Table 6.4.4 B: Śavāsana - Details of measured parameters

Table 6.4.4 C: Śavāsana - Details of measured parameters in Women

Table 6.4.4 D: Śavāsana - Details of measured parameters in Men

Table 6.4.5 A: Comparison of all the measured parameters in four types of relaxation

Table 6.4.5 B: Comparison of Measured parameters in four types of Relaxation in Women

Table 6.4.5 B: Comparison of Measured Parameters in four types of Relaxation in Men

Table 6.5.1: Cyclic Meditation - Anthropometric Characteristics Of Subjects

Table 6.5.2: Cyclic Meditation - Details of measured parameters

Table 6.5.3: Cyclic Meditation - Details of Measured parameters in — Women
