ACKNOWLEDGEMENT

I wish to express my deep sense of gratitude and appreciation to Dr. N.C. Ganguli, D.Sc., F.I.C., Professor and Head, Division of Dairy Chemistry, National Dairy Research Institute, Karnal for his benevolent guidance and constant encouragement throughout the course of this study. I am also thankful to Dr. D. Sundaresan, Director, National Dairy Research Institute, Karnal, for his keen interest in this investigation.

I feel unique pleasure in extending my sincere thanks to Dr. J.R. Brunner, Department of Food Science and Human Nutrition, Michigan State University, USA for extending valuable suggestions and experimental facilities. Thanks are also due to Mr. P.C. Wright, Department of Biochemistry, Institute of Animal Physiology, Babraham, England for carrying out amino acid analysis.

I am thankful to Dr. Ajit Singh, Shri Sukhminder Singh, Shri M.K. Bhavadasan, Shri S.R. Chakrabarti and Shri D. Datta Roy for their encouragement and help.

(A.K. Bandyopadhyay)
