Acknowledgement

It is my immense pleasure to express my gratitude to my guru, colleagues and friends, who always render their cooperation and moral support in this work. Their encouragement made this task to the apex. I cannot forget their efforts and valuable time they spent during my Ph.D. days. Their assistance is simply supreme. I will never forget those memories in my life. It is my greatest pleasure to express my deep sense of gratitude towards Prof. Sanjay Dhole and V.N.Bhoraskar who are not only my guru but role model as well. Prof. V.N. Bhoraskar introduced me in the field of Accelerator Physics and material science. He is equally caring and compassionate and parental to the students that helped me a lot. He taught me to think, analyze and understand the concept of physics. He developed my experimental, analytical and presentation skills. His incredible help will never be forgotten. I sincerely confess that, I learnt a lot from him. He was in constant touch to my work throughout my Ph.D. work.

Dr. S. D. Dhole, a professor, Department of Physics, University of Pune, is extremely dedicated person. I appreciate his enthusiasm and pool of talent. I express my deep sense of gratitude to him. His constant guidance, encouragement and co-operation throughout this work is gratefully acknowledged. He is a really a person with compassion and humanity. I will not forget his kind cooperation in my life. I am indebted to Prof. (Mrs.) S. V. Bhoraskar. Her inspiring lecture in the refresher course made me to indulge into research work. She is always a constant source of inspiration to me. I do respect her profound knowledge. I believe, she is a beacon for the students. I will not forget her suggestions and guidance.

I am very thankful to Prof. S.I. Patil, Head, department of Physics, University of Pune of his kind cooperation during my Ph.D. work. I am very thankful to Prof Date, Prof. Sandesh Jadkar, Smita Zinjarde, Dr. Lokhande, for their kind cooperation during this work. I am indebted to Prof. Kale and Dr. Apte from CMET, Pune for their great help in the glass preparation.

I remain greatful to Dr. J. Laxmanrao from Tirupati University for ESR studies. I cannot forget his excellent guidance and immense help during experimentation in the starting days research. I am very grateful to Dr. Sathe, Indore, Pune for Raman Spectroscopy. His expertise during the experimentation is immensely admirable.
I am also grateful to Prof. S.J. Patil, Dr. Mahedra More, Dr. S.W. Gosavi for the kind cooperation during this work. I would like to thank my colleagues Dr. Narendra Mathakari, Abhijeet Bogle, Dr. Attar, Dr. Prashant, Dr. Bhushan Patil, Dr. Veenu Sisodia Dr. Vinod kulkarni, Avinash Deore, Shahzad Akhtar, Vikas Mulik, Mehdi S. Barough, Kailash Sapnar, N.T. Mandlik Avinash Bansode. They helped me in different fronts. I am also thankful Ashok Bankar for his unforgettable help in all respect. His constant encouragement during the PhD work can not be forgotten. Dr. Ranjeet Hawaldar, Dr. Shailendra Dahiwal, helped me to send many research papers and articles by email. Their endeavor is highly respected.

During my research work, Dr. Naresh Chandra, Pro-Vice chancellor, Mumbai University helped me a lot in getting three years study leave under FIP scheme of UGC. I am really fortunate to be a staff of Birla College, such big and renowned Institute in Kalyan. I am very thankful every one of Kalyan Education Society, the management of Birla College. It includes Prof. M.G. Patil, Head, Department of Physics, Birla College. Dr. Mahendra Khandpekar, Dr. Madhu Thakurdesai, Dr. Harish Dubey, Dr. Kshirsagar, Mr. Kamod Dongare, They helped me to manage college work during the research work. I will never forget their help they render in my absence. Dr. Sharan and Mrs. Madhuri Sharan helped me when I was at stuck.

My sincere thanks to UGC, New Delhi for selecting and providing the financial assistance under the XIth Plan. I would like to show gratitude towards the technical and Administrative staff non teaching staff of the Department of Physics, University of Pune, Pune. Mr. Shinde, Mr. Agashe and Mr. Kadam, gave me all support that cannot be forgotten in my life. Mr. Lolge, Mr. Jagtap and many more help me during characterizing the samples. I remain grateful to them.

I sincerely thanks to all the kids in my family Ashutosh, Dhiraj, Aditya, Anish, Ayush Sanika and Sayali for the constant smile of encouragement. The happiest moments they shared with me always boost my confidence. I would like to drop a very special note to my wife Mrs. Sharmishta who stand behind me during my entire well and bad times. My father Mr. Sakharam Jadhav and mother Jaywanti Jadhav always motivated me for higher education. A warm thanks to my brothers Rajendra and Sandeep, sisters Sangeeta, Suvarna and Vaishali and my friends Sandeep, Anil, Meena, Mona, Narayan, and many more who gave me helping hand during busy hours.

I will be grateful forever for your greatness.
