ACKNOWLEDGEMENTS

I am deeply beholden to my beloved teacher and guide Dr. B. Subramanyam for his inspiring suggestions and highly valuable guidance in the course of this research work. Words fail me in expressing my heartful gratitude for not only guiding this present work, but also moulding my career.

I am highly obliged to Dr. G. Rama Chandra Reddy, Head, Department of Electrical and Electronics Engineering for his valuable suggestions and encouragement during this work.

I am thankful to Director, Satish Dhawan Space Centre SHAR, Sriharikota for permitting me to carry out this research work in the Centre.

My sincere thanks to Sri B.V. Srikanth, Sri T. Venkata Ramanppa, Sri E. Suryanarayana for their valuable suggestions and support during this research work.

I thank all my friends, colleagues and my family members who have supported me directly or indirectly in completing this thesis work.

S.V. SUBBA RAO
