14 U. Fegade, S. Attarde, S. Ingle, Application of Noncyclic 2,2'-[ethane-1,2-diylbis(iminomethanediyl)]diphenol for heavy metal extraction (Mn$^{2+}$, Fe$^{3+}$ and Co$^{2+}$) \textit{Journal of Applicable Chemistry}, 3 (2014) 170-179. (I.F= 1.201)
❖ Presentations in conferences

1. Participated at National Conference on “Nanomaterials, Industrial Polymers and Eco-friendly Coatings-Perspectives and Challenges” (NIPEC-2012) organized by School of Chemical Sciences and University Department of Chemical Technology, NMU, Jalgaon on 18th February, 2012.

2. Attended one day workshop on “Project, Thesis and Paper Writing in Chemistry” organized by School of Chemical Sciences, NMU, Jalgaon on 9th March 2012.

4. Poster presentation in “Innovation in Chemistry-Laboratory to Society” organized by School of Chemical Science, NMU, Jalgaon on 11th March 2012.

5. Poster presentation NMU Campus Level “Avishkar 2013” organized by North Maharashtra University, Jalgaon on 5th October 2013.

6. Poster presentation in International Conference on, “Global Opportunities for Latest Developments in Chemistry and Technology” (GOLD-CT-2014) in North Maharashtra University, Jalgaon during 6-8 February 2014.
