Acknowledgements

I would like to sincerely acknowledge the inspiring guidance of Dr. (Mrs) Mridula D. Ranade, who devoted her time in various capacities for assessing the process at every phase and put the researcher on to the track. The researcher is at loss of words to express the feelings of gratitude towards the respected guide.

I am thankful to Mrs. Asha Bokil (Director, Education, Sinhgad Technical Education Society), who efficiently permitted the school of Narhe Campus for Ph. D. work.

I am also thankful to Mrs. Sheetal Sapkal (Prin., Sinhgad Spring Dale School, Narhe Pune) who allow to take two divisions of std. VIII and computer lab for the research study.

I wish to express deepest gratitude towards Mrs. Pratibha Jadhav (Geography Teacher, of Sinhgad Spring Dale School) who guided and provided valuable suggestions with perfect approach to this multidisciplinary study.

I am indebted to Mr. Sachin Sakhare, and Mr. Anshuman Khurjekar (method masters) for their valued guidance regarding the content and CAI programme while conducting this study.

I am thankful to Dr. Rajendrakumar T. Patil (Principal, Sinhgad College of Education) who gave me valuable guidance and suggestions in my research work.

I gave credit to my mother Pushpa, husband Sanjay and kids Saurabh and Omkar for keeping smile on their face during the busy schedule of my work.

I want to express gratitude to all those individuals in various walks of life who shared their time and knowledge for this study. Without their perspectives, this study would not have enriched with so many dimensions.
