ACKNOWLEDGEMENT

I would like to express my deep and sincere gratitude to my research guide, Dr. A.S. Kulkarni for his inspirational guidance and willing support. His wide knowledge and his logical way of thinking have been of great value for me, which has enabled me to develop an understanding of the subject thoroughly.

I express my gratitude to Principal Dr. Subhash Deo for motivating me to go in for doctorate and permitting me to use all the infrastructure facilities for my research work.

I would like to express my thanks to In-charge Principal Dr. Kishor V. Sukhatankar for his cooperation and help rendered during the work period.

I gratefully acknowledge the help given by Dr. U. H. Mane, Director, Centre for Coastal Marine Biodiversity (MRL), Ratnagiri, for his generosity in extending the laboratory facilities in Bhatye for my experimental work.

I extend my deep gratitude to Prof. C. G. Patwardhan for valuable guidance in biostatistics, a major and important part of my work.

The guidance and continued support of Dr. (Mrs) S. A. Gaikwad cannot be expressed in words, my heartfelt thanks go to her.

My profound thanks to Mr. Vishal Bhave for helping me with the photographs, editing and labeling the photos, making my thesis colourful.

I thank my colleagues Dr. Chanda Berde, Ms. Archana Injil and Dr. Varsha Ghadyale for their critical comments on my drafts, the editing of this thesis and making it possible to complete it in time.

All the help and support rendered by staff of Biological Science Department during the period of my thesis, is duly acknowledged.

I deeply thank Mr. Gautam Shinde, Mrs. Ajita Malusthe and all laboratory attendants for their constant help throughout my work period.
I owe my loving thanks to my husband, Deepak and son, Neel. They have lost a lot due to my research work. Without their encouragement and understanding, it would have been impossible for me to finish this work.

I wish to express my love and gratitude to my beloved parents and parents-in-law. Their love and unconditional support was a constant inspiration and driving for me. Last but not the least, I thank God for giving me courage and making the whole process of research, smooth sailing.
