LIST OF FIGURES

1. Fig 1.1: Map of Greater Mumbai Region
2. Fig: 1.2 Ward Map of Greater Mumbai
3. Fig: 1.3 Location of Solid Waste Dumping Grounds of Greater Mumbai
4. Fig 4.1: Locations of Air Monitoring Stations
5. Fig 4.2: Annual Average Concentration Values of SO$_2$ in $\mu g/m^3$
6. Fig 4.3: Annual Average Concentration Values of NO$_2$ in $\mu g/m^3$
7. Fig 4.4: Annual Average Concentration Values of SPM in $\mu g/m^3$
8. Fig 4.5 : Average Annual Concentration Levels of RSPM (in $\mu g/m^3$)
9. Fig 4.6: Percentage of violation of NAAQS for RSPM values at three air monitoring stations
10. Figure 4.6: Percentage of violation of NAAQS for SPM values at Worli, Parel and Kalbadevi
11. Fig. 4.7: Map of Greater Mumbai showing the Three Motor Zones
12. Figure 4.8: Emission Load of Mumbai (in tonnes/day) for the period 2008-2011
13. Fig 4.9: Vehicular growth in Mumbai region (1961-2011)
14. Fig 4.10: Number of Vehicles in each transport zone of Mumbai region
15. Fig 4.11: Percentage growth of vehicles registered in the central, western and eastern transport regions of Mumbai
16. Fig. 4.12: Vehicles using Various Fuels as on 31$^{st}$ march 2010 in Mumbai
17. Fig.4.13: Superimposition of Annual Average Values of NO$_2$ in the Three Motor Transport Zones
18. Fig.4.14: Superimposition of Annual Average Values of SO$_2$ in the Three Motor Transport Zones

19. Fig.4.15: Superimposition of Annual Average Values of SPM in the Three Motor Transport Zones

20. Fig 4.16: Superimposition of Annual Average Values of SPM in the Three Motor Transport Zones

21. Fig 4.17: Superimposition of Annual Average Values of RSPM on the map of Mumbai

22. Fig 4.17: Distribution of population (in %) for the island city and the suburbs

23. Fig 4.18: Population Growth Trend (in %) in Mumbai 1981-2011

24. Fig 4.19: Decadal growth in generation of solid waste as compared to population growth 1961-2011

25. Fig 4.20: Map depicting spatial variation in Concentration Index for Greater Mumbai for 1991-92

26. Fig 4.21: Map depicting spatial variation in Concentration Index for Greater Mumbai for 2011-12
