ACKNOWLEDGEMENT

I take this opportunity to express my deep sense of gratitude to my Research Supervisor Dr. Shankar N. Holihosur, Reader, Department of Zoology, Karnataka University, Dharwad for helping me to select this interesting topic, his keen interest in the present work, scholarly inspiration, efficient guidance, constant encouragement and creative criticism during the course of present investigations, which always kept my research in progress. I am equally grateful to my Co-Guide Prof. Vasant L. Kallapur. Professor Emeritus, Department of Zoology, Karnataka University, Dharwad for his unstinted guidance, valuable criticism and encouragement.

I am thankful to the Chairman Prof. S. K. Saidapur, Department of Zoology, Karnataka University, Dharwad for the facilities provided to carry out the research work.

I wish to record my thanks to Late Dr. M. A. Hooli, Dr. S. Basalingappa, Dr. (Mrs) Tarabai Prabhu, Dr. H. S. Patil, Rtd. Professor of Zoology, Dr. S. N. Nevagi, Dr. R. D. Kanamadi, Dr. (Mrs) B. A. Shanbhag and Dr. B. B. Kaliwal, and other members of the staff, Department of Zoology, for their help and encouragement during my work.

I acknowledge the co-operation of my research colleagues and friends Mr. S. R. Yankanchi, Mrs. Nanda, Mr. Srinivas Kallapur and Mr. Prabhakar Patil.

I thank all non teaching staff for their help during my work.

I am thankful to my husband Mr. Gururaj K. Kulkarni for equally supporting and encouraging me during my research work. It is my duty to express
my gratitude to my sister Sonali Kulkarni and also my relatives for their continuous help, support and encouragement throughout my research work.

I am thankful to Shri. Shankar Gondakar and Satish Gondkar, Dharwad for their co-operation and neat computerisation of my thesis.

The constant encouragement and timely help of Dr. Sivakumar Swamy, Professor and Chairman, Dept. of Botany, Karnataka University, during my search work is greatfully acknowledged.

My thanks are due to Dr. S. N. Mageri, Associate Professor of Statistics and Dr. J. A. Gopali, Assistant Professor of Agricultural Entomology, U. A. S. Dharwad for helping in Statistical analysis of the data.

I shall be failing in my duties if I do not thank Mr. Hanumant Hebballi and Shrikant Unakalkar for their physical help in rearing the insect on large scale throughout my research work.

I thank Mr. Santosh Holihosur for the digital photography.

I gratefully acknowledge the University Grant Commission, New Delhi for providing the grants (under SAP DAS – II ) to conduct part of the research work of this thesis.

R. D. Kulkarni
