ACKNOWLEDGEMENT

I would like to record my gratitude to my supervisor, Dr. R. Balasubramani, for his keen supervision and guidance from the very beginning of my research that has enabled me to complete the work on time. I am also indebted to him for his patient reading of the text of the thesis and his critical comments.

I would like to extend my whole hearted thanks to Dr. S. Srinivasa Ragavan, Librarian & Head, Department of Library & Information Science, Bharathidasan University for his kind help and encouragement.

I am deeply indebted to Vice-Chancellor, Dr. K. Meena, for offering me an opportunity for fulfilling my desire to obtain Ph. D. degree in the Department of Library and Information Science, Bharathidasan University and to carry out the research successfully.

I would like to thank all the Doctoral Committee members especially to Dr. S. Gopalakrishnan, Assistant University Librarian, Anna University, Chennai and Dr. B. Suresh, University Librarian, Madurai Kamaraj University for their constructive comments on my work.

A special thanks goes to Dr. P. Pichappan, Editor and Associate Professor, Journal of Digital Information, Prof. Subbiah Arunachalam, National Centre for Science Information, Indian Institute of Science, Bangalore for enlightening me on Histcite, Bibexcel, Web of Science and Scopus Databases.

I record my profound sense of gratitude and thanks to Prof. M. Murugesan, Formerly Professor in English, Bharathidasan University, Tiruchirappalli for his timely help in the submission of my thesis.
I owe my deepest gratitude to my colleague Dr. N. Amsaveni, Assistant Professor for her timely support in carrying out the statistical analysis. I thank all my colleagues Mr. C. Ranganathan, Assistant Professor, Mr. B. Jeyapragash, Assistant Professor for the their constant help and moral support throughout the period of my research.

I convey special acknowledgement to Mr. B. Neelakandan, Mr. A Rajendran, Mrs. P. Jayanthi, Mrs. C. Kokila, Technical Officers, Mr V. Rengan, Reprographer, Library Assistants, and other members of library for their support.

I wish to express my sincere thanks to Ms. D. Kiruthika, Graduate Trainee in National Institute of Technology, Tiruchirappalli for her technical assistance. I thank all the Research Scholars of the Department of Library and Information Science, DLIS group, especially to Dr. R. Duraipandi, P. Ashok Kumar, Mr. Santosh A. Navalur and K. Sivasekaran for their constructive comments on my work.

I would like to record my deep love and admiration to my mother Pooncholai for her painstaking care, support, encouragement, patience and unwavering love which helped me to grow to this height.

Last but not least, I extend my whole hearted thanks to all who helped me during the course of my research.

(SURULINATHI. M)
