Acknowledgements

It gives me a great pleasure to acknowledge my heartfelt thanks to Dr. N. M. Badiger, my research supervisor, for his keen interest, constant encouragement, guidance and kind help during the course of my research work. I am really grateful to him for giving me an opportunity to work with him.

I must express my deep sense of gratitude and heartfelt thanks to Prof. S. R. Thontadarya, Professor of Physics, Department of Physics, Karnataka University Dharwad for his keen interest, valuable guidance and wholehearted help in all respects during the research period. I feel fortunate for having had his association during those days. I am ever grateful to him.

I must express my deep sense of gratitude and heartfelt thanks to Prof. B. Hanumaiah, Professor of Physics, Department of Physics, Karnataka University Dharwad, now on lien as Vice-Chancellor of Mangalore University, for his keen interest, valuable suggestions, encouraging words and kind help during my research period.

I feel immense pleasure to express my deep sense of gratitude to Prof. N. Umakantha, formerly Professor of Physics for his valuable suggestions, encouragement and inspiration through my research period.

I respectfully acknowledge my deep sense of gratitude and heartfelt thanks to Prof. B. G. Mulimani, Chairman, Dept. of Physics, and the Former Chairmen, Prof. S. R. Thontadarya, Prof. C. S. Anithkumar and Prof. D. K. Deshpande for their encouragement and help in the Department during my research period.
I sincerely thank all my teachers and non-teaching staff of Physics Department, Karnataka University, Dharwad for their help and encouragement during this work.

I am very much grateful to Dr. R. Nathuram, Senior Scientist, RSSD, B.A.R.C., Mumbai for his keen interest, encouragement and supply some research materials. My high regards are due to him.

I heartily thank Dr. V. Tulasigeri, Professor of Physics (Rtd.), and Dr. H. A. Jahagiradar, Principal, J.S.S. College, Dharwad, and Dr. L. D. Horakeri, and Prof. S. P. Murari for their kind help, moral encouragement and many useful suggestions related my research work. My high regards are due to them.

My deep sense of gratitudes are due to Shri F. B. Mathihalli, Deputy Registrar, Bangalore University, Bangalore who was and is the source of inspiration to me. I am ever thankful to him for his kind support.

I am thankful to the staff of Central Workshop and USIC for their help and co-operation during my research work.

My thanks are due to my research colleague friends; Shri Y. F. Nadaf, Shri Kasala Suresh, Shri C. S. Patil, Shri S. N. Bhosale, Shri H. M. Suresh, Smt. K. R. Usha and Shri Kumar Maddani for their good company in the department and help during those days. I thankful to Shri Balagouda Patil for his inspiration and support in doing this work. Help of Mr. Praveen D. Shidling in preparing the thesis, at the last moment, is kindly acknowledged.
I am ever grateful to my parents Shri Bharamappa and Smt. Lakshmavva for their blessings and moral encouragement. I am equally grateful to my uncle Shri Bhimappa and aunt Smt. Yallavva for their love and affection. Love and affection of my brothers and sisters is gratefully acknowledged. Especially I am grateful to my brothers Shiddappa and Basavaraj for deep kindness and affection towards me. I am ever thankful and heartily acknowledge the encouragement and inspiration of my friend, now my brother in-law, Mr. Vithal Padeppanavar, during my research days.

I am extremely thankful to Karnataka University Dharwad for being provided the University Research Scholarship.

My hearty thanks are due to all who have helped me directly and indirectly in completing my research work.

Dharwad.
