ACKNOWLEDGEMENT

First, I thank the GOD almighty for bestowing me enough physical and intellectual strength to carry out my research lucratively and to achieve this position.

I wish to convey my benevolence to my research supervisor Dr. B.D. Ranjitha Kumari, Professor, Department of Plant Science, Bharathidasan University, Tiruchirappalli. I wholeheartedly extend my gratitude to her for giving me full freedom to do my research work. She has always showed optimism on my research with her novel ideas. She did not only guide me in my research endeavour but moulded me in always of my life.

I am grateful to my doctoral committee members Dr. N. Jayabalain, Professor, Department of Plant Science, Bharathidasan University, Tiruchirappalli and Dr. G. Melchias, Associate Professor, Department of Botany, St. Joseph’s College, Tiruchirappalli for their suggestions.

I am thankful to Dr. A. Ramachandran, Director, Center for Climatic Change and Adaptation Research, Anna University, Chennai and Dr. S. Soosairaj, Assistant Professor, Department of Botany, St. Joseph’s College, Tiruchirappalli, for their encouragement during my study period.

I extend my gratitude to Dr. S. Mohan Kumar, Centre for Plant Molecular Biology and Biotechnology, Tamil Nadu Agricultural University, Coimbatore, Dr. V. Swaminathan Department of Entomology, Anbil Tharmalingam Agricultural University, Tiruchirappalli, for their technical support and valuable suggestions.

I sincerely thankful to Rev. Fr. Agustin, Director, Department of MBA, Loyola College, Chennai, for his help in my research.

I thank all my labmates S. Pradeep Kumar, M. Prathap, A. Alagesan, M. Nimmi, C. Janani, S. Rajaperumal, B. Sundararajan and S. Manigandan for their co-operation and help during my research period.
I am thankful to A. Kala and P. Raja, Research Scholars, Department of Botany, St. Joseph’s College, Tiruchirappalli for their encouragement and kind help.

I am grateful to Non-teaching Staff Members, Department of Plant Science, Bharathidasan University, Tiruchirappalli for their help during my research period.

I sincerely thank my parents, brothers and sister without whose encouragement and support the present work would not have been lime light of the day.

(P. Ananthi)
