ACKNOWLEDGMENTS

With great pleasure, I take this opportunity to express my deep sense of gratitude and heartfelt thanks to several individuals from whom I received impetus motivation and invaluable help during the course of my research work.

I do express my deep debt of gratitude to my revered guide Prof. H.C. Lakshman, Chairman, P.G. Department of Studies and research in Botany, Karnataka University, Dharwad, for giving me an opportunity to carry out research under his supervision and his guidance, enlightenment, effective and proficient review of research work.

It is my privilege to thank Prof. G.R. Hegade, Prof. H. Niranjanmurthy, Prof. Ch. Ramesh, Dr. M. Jayaraj, Dr. T.C. Taranath, Dr. D. Thangudurai and Dr. G. S. Mulagund, for giving valuable suggestions and support during my research work.

I am thankful to all Teaching faculty of Botany department, Karnataka science College, Dharwad for their valuable suggestions.

I express my deep and sincere respects to H.H. Sri Vishweshatheertha swamiji of Pejawar mutt, Udupi and Dr. D. Veerendra Hegade, Dharmadikari of Dharmastal and Chairman of Janata Shikshana Samiti, Dharwad, for their abundant blessings.

I express my deep sense of gratitude to Dr. N. Vajrakumar, Secretary, Janata Shikshana Samiti, and Dr. Ajith Prasad, principal J.S.S. College, Dharwad for their constant encouragement to undertake research and deputing me to carry out research work leading to Ph. D. degree under U.G.C- F.D.P. XI plan.

I am thankful to prof. B.N. Patil, Head, Department of Agronomy, Wheat research station, University of agriculture science, Dharwad, for providing germ plasm of Triticum aestivum L varieties.
I would like to express special thanks to Prof. A. P. Agawade, Director, College of Agriculture Science, Bijapur, for giving valuable suggestions and support during my research work.

I deem it pleasure to thank Prof. B. C. Patil, Director, U.A.S, Hebbal research station, Dharwad, for extending laboratory facilities.

I owe special thanks to Prof. B. S. Channappagoudar, Prof. N. S. Hebsur, Prof. P. L. Patil, University of agriculture science, Dharwad for giving valuable suggestions during my research work.

I am thankful to Shri. Vijay Kumar, A.G., Scientist, MULARP, University of Agricultural Science, Dharwad and Shri. P. H. Kuchanur, Assistant Professor College of Agriculture Science, Bhimarayan Gudi for assisting in conducting my experiments.

I owe special thanks to Shri. L. R. Pawar, Associate professor, department of English, J.S.S. College, Dharwad, for making necessary grammatical corrections.

I take the opportunity to express my thanks to labmates Mr. Sandeep Kumar, Mr. Channabasava, Shri. Krishna H. Wadder, Dr. Mahesh B, Miss. Shwetha C. M, and Miss. Romana Mirdhe for their kind cooperation and help during my research work.

I extend my sincere thanks to all my co-research scholars of the department for helping to complete this task. I take this opportunity to express my thanks to all members of non-teaching staff for their cooperation.

I am thankful to the staff of USIC (University Scientific Instrumentation Centre) for providing facilities during my research work.

I would like to render my deep sense of gratefulness to my wife Anasuya, My daughter Pratiksha, Son Shreyas & all my family members for their moral support. I deem it pleasure to thank my friends, Dr. B. Nagaraj Reddy, Shri. M. G. Nadagouda, Shri. R. Shivaprasad and K. H. Nagachandra.

I am thankful to all my colleagues of J. S. S College, Dharwad, for their moral support and valuable suggestions to complete the research task.

I am very much thankful to University Grant Commission (U.G.C) for granting teacher fellowship under F. D. P. in XI plan to carry out my research work.

V. S. BHEEMAREDDY
