

DEDICATED TO MY WELL WISHER

ACKNOWLEDGEMENT

I deem it a rare privilege to get the opportunity to place on record my deepest sense of gratitude and heartiest indebtedness to my Guide Dr. D. C. Ghosh, Professor of Agronomy, Palli Siksha Bhavana (Institute of Agriculture), Visva-Bharati, Sriniketan for his painstaking efforts and all round help in carrying out the investigation and preparation of this manuscript.

With immense pleasure I would like to express my gratitude to my co-guide, Dr. W. Ingo Meitei, Professor and Head, Department of Horticulture, College of Agriculture, Central Agricultural University for providing facilities to conduct the field experiments and laboratory work at the Central Agricultural University, Imphal, Manipur and also for his constructive and useful suggestions throughout the entire course of field and laboratory investigation.

I am very grateful to the Visva-Bharati University Authorities, for allowing me to carry out the present research work as Day Scholar. It was a great fortune for me to carry out Ph. D Research work at this world famous University (Visva-Bharati) founded by Novel Laureate Poet Rabindranath Tagore, now a Central University in India and at the same time under the primary guidance of an eminent Agronomist of the country.

I am also grateful to Prof. G. C. De, Adhyaksha, Institute of Agriculture (Palli Siksha Bhavana), Visva-Bharati for providing necessary facilities required for my research works.

I bestow my sincere thanks to Dr. N. Iboton Singh, Dean, College of Agriculture, Central Agricultural University, Imphal for providing me kind permission and necessary facilities required to conduct the field experiments.

I am highly grateful to Prof. S. K. Pyne, Head of the Department of ASEPAN, Institute of Agriculture, Palli Siksha Bhavana, Visva-Bharati, Sriniketan (W.B.) for providing all facilities in the department to carry out this research.

I am profoundly thankful to Dr. L.N. Singh, HOD, Agronomy, Dr. A. Herojit Singh, Assoc. Prof. Soil Science and A. Gopimohon Singh, Asst. Prof. Agril. Statistics, College of Agriculture, Central Agricultural University, Imphal for their help and useful suggestion during the investigation.

I offer my special thanks to the workers of the Department of Horticulture, College of Agriculture, Central Agricultural University, Imphal for their help in conducting the field experiments.

I also express my thanks to all my friends and well wishers for their continued inspiration during the investigation.

A very special debt is owed to Shri. Haokholet Kipgen, President, FEEDS (Host Institute of KVK-Sylvan, Senapati District, Manipur) for his constant encouragement and endless support in pursuing this Ph. D research work.

I owe everything to Smt. N. Kulabati Devi, my mother and all my family members for their support and necessary help and encouragement during the entire period of my doctoral research.

(Nongmaithem Jyotsna)

Sriniketan
